Janus, god of the new year, god of doors which open into new rooms, reminds us that Ball State stands on the threshold of such a room, whose outlines and dimensions we cannot yet discern. We glance back, with pride of accomplishment, into the room we know so well. But with a lively sense of anticipation we look forward to the spacious room before us, and to unopened doors which may lie beyond.

PROGRAM
6:30 p.m., May 12, 1965
