Dear Brad,

On behalf of the University of Pennsylvania Libraries, I write to grant you permission to use the image you cite below, from the 1583 Geneva Bible, in your dissertation.

Permission.

There is no permission fee.

We also have your order for two images from the 1537 Mathew Bible (title page, first text page of Genesis). My colleague Elton will be in touch with you once the two scans are complete and will send an invoice for the scanning along with the images.

Best wishes,

John
