34TH SEASON -- 214-175-2 OVERALL -- 94-107-1 MAC

The winningest coach in the 70-year history of Ball State men's swimming & diving, Bob Thomas enters his 34th season as the program's head coach. From the 2004-05 season through the 2008-09 season, he was also the co-head coach of the women's swimming & diving team.

A four-time Mid-American Conference Coach of the Year (1992-93, 1994-95, 1999-00 & 2002-03), Thomas has accumulated a 214-175-2 (.547) career record, including a 94-107-1 (.465) league ledger. He has guided the Ball State men's squad to a pair of runner-up finishes at the MAC Championships (1992-93 & 2002-03), while guiding the team to a top three finish eight times.

Over his career, Thomas has coached his student-athletes to MAC individual championships a total of 40 times, while helping guide his relay teams to seven titles. His student-athletes have earned First Team All-MAC honors eight times, while collecting Second Team All-MAC accolades on 17 occasions.

He has also coached his athletes to four All-America honors, eight MAC Diver of Year awards, four MAC Outstanding Senior awards and a MAC Swimmer of the Year title.

The Cardinals' latest MAC Individual champion came in 2005-06 when MAC Outstanding Senior award winner Kurtis Leer swept the freestyle sprint events, winning the 50, 100 and 200 titles. Leer, who is BSU's record holder in both the 100 and 200 freestyle, finished his career as a six-time MAC champion, also winning all three events his junior year.

On the women's side, Thomas helped guide Sarah Welter to the 100 backstroke title at the 2004-05 MAC Championships. Welter also swam the first leg of the 200 Medley Relay which captured the event title the same year with a school-record clocking of 1:45.04. Joining Welter in the relay were Tara Zimmer, Erin Johnson and Karla Bailey.

In 2002-03, Thomas picked up his fourth MAC Swimming Coach of the Year award by leading Ball State to an 11-3 dual-meet record and a second-place finish at the MAC Championships despite having just two seniors on the roster. The Cardinals had finished sixth at the league event the year before, giving Thomas the best turnaround in the MAC for the 2002-03 season.

Thomas collected his third MAC Swimming Coach of the Year award after the 1999-2000 campaign, as the Cardinals turned in another solid improvement from the previous season, climbing from eighth to fifth at the league meet. The team also posted a 7-5 dual-meet record, while going 5-2 in conference action.

From the 1995-96 to 1997-98 seasons, Thomas helped coach the program's latest MAC Diving Champion, as Dave Garrow collected three individual titles on the 1-meter board and a pair of championships on the 3-meter board. A two-time MAC Diver of the Year, Garrow ranks second in the BSU record books in all diving categories.

HEAD COACH: Kristy Castillo (Akron ’03) - First Season
GRADUATE ASSISTANT SWIMMING COACH: Sarah Kowalski - Second Season
GRADUATE ASSISTANT DIVING COACH: Lisa Maertin - Second Season
STUDENT ASSISTANT: Heather Elston STUDENT MANAGER: Betsy Bowen
Head Coach Kristy Castillo

Kristy Castillo, a former assistant women's swim coach at Akron since 2003, was named the head women's swimming and diving coach at Ball State in July 2012.

“We are excited to have Coach Castillo on board,” Ball State Director of Intercollegiate Athletics Bill Scholl said. “She is an energetic coach with quality experience. Her experience and personality are a good fit for us at Ball State. We look forward to her beginning work at Ball State.”

Castillo replaced Laura Seibold-Caudill, who retired as the Ball State women's swimming and diving coach after the 2011-12 season -- her 33rd at the helm of the Cardinals.

“I have a passion for coaching and being surrounded by the student-athlete experience,” said Castillo. “I approach every day and every situation with an open mind and never underestimate the ability of the student-athlete. I look forward to developing quality student-athletes at Ball State. I feel fortunate to be the head coach for such an established program with a strong tradition of excellence in the classroom and in the pool. It is an honor to be named the head coach at Ball State and I would like to thank the athletics department for this opportunity.”

In addition to her coaching at Akron, Castillo served as an assistant lecturer at Akron from 2008-12. She also served as a coach and camp counselor at the Stanford Swim Camp in the summers of 2006-2009.

2003 graduate of Akron, Castillo began her coaching career as the head swim coach at Rosemont Country Club in Fairlawn, Ohio, in the summers of 2003-04. She earned her master's degree from Akron in 2006.

As a student-athlete for the Zips, the North Canton, Ohio, native served as team captain for Akron in 2001 and 2002 and was a four-year letterwinner. She set school records in the 100 breaststroke, 200 breaststroke, 100 freestyle and as a member of four relay teams in her career. She still owns some of the school's top times in several events.

**BALL STATE’S FIRST FEMALE NATIONAL CHAMPION**

Patricia Bergman (1969-72) was a three-time national champion for the Cardinals. The first female national champion in any sport in the history of Ball State athletics and one of only a small number in school history, Bergman set national records in the 100-yard backstroke and 100-yard individual medley.

She helped Ball State to a ninth-place finish at the 1971 National Intercollegiate Swimming and Diving Championships as the Cardinals placed ahead of Syracuse, Indiana, UCLA, Miami (Fla.), Utah, Northwestern, Oklahoma, Washington State and several other schools.

At the 1971 meet, Bergman won the national title in the 100 IM (1:03.2), just behind her national championship clocking of 1:03.0 set in 1970. She won the national title in 1970 in the 100 back (1:02.3) and finished second in 1971 (1:03.0). At the 1971 national meet, Bergman also placed fourth in the 50 back (29.6), plus helped BSU to a seventh-place finish in the 200 medley relay.
Jo Ann Gora began serving as Ball State’s 14th president in August 2004. Under her leadership, the university has made immersive learning the hallmark of every Ball State student’s college experience. From 2007-2010, nearly 8,200 students completed more than 500 immersive learning projects throughout Indiana and beyond. Gora has led the development and implementation of the university’s Education Redefined strategic plan, which was the basis of the university’s capital campaign, Ball State Bold. It concluded in June 2011 and topped its $200 million goal by more than $10 million.

Since Gora’s arrival, Ball State has been in the midst of an unprecedented era of campus improvement. For the eight-year period ending in 2012, the university is spending approximately $418 million on major construction and renovation projects. Gora was one of 12 charter signatories to the American College and University Presidents’ Climate Commitment in 2006. She has led Ball State’s sustainability efforts, including its geothermal energy project, the largest of its kind in the country. This fall, the university completes Phase One of the project, shutting down two coal-fired boilers and saving more than $1 million annually in operational efficiencies.

In 2009, Gora earned the Mira Trailblazer Award from TechPoint for her significant and lasting contributions to technology innovation in Indiana. She is a member of the American Council on Education’s Board of Directors and the Association of Governing Boards’ Council of Presidents. She chairs the Mid-American Conference Presidents’ Council and co-chairs the Central Indiana Corporate Partnership. She serves on the boards of the Indiana Chamber of Commerce, First Merchants Bank, and Ball Memorial Hospital.
