The Morning News newspaper, Archives and Special Collections, Ball State University Libraries

Historical Note

The Morning News was published in Muncie, Indiana. The headquarters was located in an alley called "News Court," which was in the rear of the Anthony Building between Main and Jackson. It was the first local newspaper to utilize the Linotype machines, a device that replaced manual letter-setting and made printing much faster.

Scope and Contents

This collection consists of one bound volume of issues of *The Morning News* newspaper published in Muncie, Indiana from January to June 1894.
