ABSTRACT

CREATIVE PROJECT: Creating Training Programs for Undergraduate Students in the Departments of Journalism in Saudi Arabia

STUDENT: Abdulhamid Alanazi

DEGREE: Master of Arts

COLLEGE: Department of Journalism

DATE: May, 2016

In this study, the researcher will examine and analyze specific journalism programs from universities in both the United States and Saudi Arabia. The aim of the researcher is to obtain valuable information to help with the creation of effective training programs for undergraduate students in the departments of journalism in Saudi Arabia.

These training programs will offer a broader curriculum and raise the capability of undergraduate of journalism students in Saudi Arabia. Furthermore, these training programs will prepare them well, improve their skills, and refine their talents, so that in the future they can become excellent journalists. The researcher will use content analysis for this project. The study focuses on the content of the descriptions of core courses in undergraduate journalism curricula in both the United States and Saudi Arabia.
