

## **ABSTRACT**

**RESEARCH PAPER:** Networking Outcomes: Implementing Social Networking Sites in the FYC Classroom

**STUDENT:** Joel Bergholtz

**DEGREE:** Master of Arts

**COLLEGE:** Sciences and Humanities

**DATE:** May 2017

**PAGES:** 39

This research project presents strategies for implementing Social Networking Sites (SNSs) into the First-Year Composition classroom. By aligning our field's recent research on SNSs with the revised WPA Outcomes Statement, I'll demonstrate how teachers can bring SNSs into the classroom in ways that meet our field's overarching goals and outcomes.
