NORTH ENTRANCE

MAP: SECTION 2

• Elevator only for the physically impaired.
• Accessible restrooms located on lower floor.
• Auditorium seating is accessible/inclusive.
• Wide hallways provide easy navigation.
• The elevator is not located in a prominent place.
• The lecture halls step up and don't provide space for those in wheelchairs at the front.
The elevator is very large. It has a door opposite the one that opens on the first floor. This door opens on the opposite side of the elevator on the ground, 3rd, and 4th floors.

The main entrance is on the East side and has a ramp that leads up to the front doors. There is also a ramp on the North side of the building that leads to the Ground floor.
