

CREATIVE PROJECT ABSTRACT

CREATIVE PROJECT: 2-3-2: Paper, Metal, Paper
STUDENT: Kathryn McElroy
DEGREE: Master of Arts
COLLEGE: College of Fine Arts
DATE: December 2009
PAGES: 36

This creative project focused on a cycle of two-dimensional to three-dimensional materials and back to two-dimensional in an effort to challenge the material, post-consumer paper, and challenge myself in mastering the techniques of electroforming and enameling.
