

ALPHA OMICRON PI

History

May 21, 1970

Object of fraternity:

1. To keep friendship bound together, to keep that friendship forever an active principle of life, and not to allow it to become a mere memory of youth.

2. To bring into existence an organization that would be ever modest; one that should never show separateness from the college body, but should rather imply service to the whole; and especially an organization whose membership should be based on character and likemindedness.

It was founded at Barnard College of Columbia University in New York, on January 2, 1897. Kappa Kappa went national on Ball State campus on May 24, 1952.
