Dr. John R. Emens, President  
Ball State Teachers College  
Muncie, Indiana

Dear Dr. Emens:

We are happy to advise you that Sigma Sigma Sigma met all requirements on June 1, 1948 and has been admitted to associate membership in National Panhellenic Conference, with membership dating from November 12, 1947.

You may be interested to know that any active member fraternity of National Panhellenic Conference must first have been an associate member for a period of four years, as required by the by-laws of the organization. With a voice but no vote, an associate member enjoys all other rights and privileges of membership, is guided by the same standards, and subject to the same regulations. There are no other requirements or conditions to meet, and full active membership at the end of the four-year period is considered to be automatic.

Again, may we assure you that it is our hope to continue providing sorority opportunities to outstanding students of your college. Now that our field of service has been expanded, we look forward to working with you in an even more purposeful program for college women.

Cordially yours,

*Marie S. Dunham*
