The Music Events Calendar is published by the Ball State University School of Music near the beginning of Fall and Spring Semesters, and First Summer Term. All concerts are free, unless noted, and open to the public. Programs and artists are subject to change.

For reasons beyond our control, sometimes activities or events listed on the calendar must be canceled or rescheduled. If you or someone you know is coming to Muncie from out of town, please let us assist you. Call first to confirm the concert date. If tickets are required, we will put you in touch with the appropriate performance location box office, or help you contact Ticketmaster.

Despite our attempts to avoid duplication and waste, the process we use to identify and eliminate duplicate mailings is not perfect, so occasionally errors occur. If you receive more than one copy of the calendar, please share one with a friend.

If your name and/or address are not correctly listed on your mailing envelope, please let us know. We will be happy to update our mailing list. And, though we hate to lose a friend, if you have moved from the area and no longer wish to receive our mailings, please help us save money. Let us know if you would like to be removed from our mailing list.
