Registration For Classes

By Emilee Wolfley

'Tis the season to begin Spring Semester Registration! If you have not checked yet, go to my.bsu.edu under registration and see when you are able to enroll in classes for next semester. If you are a senior or junior, you may have already been able to start! It is important to register as early as you can so that you get into the classes and sections that you want. Use the search

function, and find out what is being offered, what time, and where. As always, if you need any help, feel free to stop by the Veterans Affairs Office in Lucina 204. Also, if you need major specific help, or help figuring out what classes to take, go talk to your advisor! If you do not know who your advisor is, go to the current students tab at the top of bsu.edu, and scroll down under Advising, there

should be a link saying "Who is my advisor?" That link will help you figure out who your advisor is. Once you have registered for classes, send Beck Hannaford an email to bhannaford@bsu.edu with the name of the class and how many credit hours it is so that we can start certifying you to receive your veterans benefits for next semester! The faster you enroll, the faster our office can get you set up for next semester! Happy registration!

Interesting Ball State Features

By Emilee Wolfley

If you are addicted to your phone and not so good at looking at your email, sign up for emergency text alerts! Ball State will send you a text any time there's a problem or an emergency on campus. When classes are canceled due to inclement weather or there is a robbery on campus, Ball State will let you know about it right in the palm of your hand! Go to this link: https://apps.bsu.edu/emergencytext/?utm_source=gateway-students&utm_medium=textlink&utm_campaign=emergencytext

Sign up now and get some peace of mind!

If you have a PC problem, visit TechTime on the first floor of the library, located next to the Technology Store. If your Mac is having problems, visit the ICare corner in Teacher's College on the second floor. These two places will fix your computer as best they can for free!! No need to go to Best Buy or a

computer store that will charge you tons of money.

Ball State also partners with Verizon, AT&T, and Sprint to give you discounts on phone services. Look at this link : <http://cms.bsu.edu/About/Administrative Offices/BSUConnect/Cell For Stud.aspx> for more information on discounts that you are eligible for! Being a college student is cool because everyone wants to give you great things! So take advantage while you can.
