May 4—Graduation!

May 11 State SVO Conference held at Ball State (more info to come later)

## Ball State University

### SALUTE Honor Society

By: Emilee Wolfley

If you have a GPA of 3.0 or above, you're eligible to be part of the SALUTE National Veterans Honor Society. You MUST be a veteran yourself OR be in ROTC and graduate with a commission to be inducted into SALUTE. It is an up and coming organization that will eventually be servicing veterans all over the nation with scholarships and opportunities for recognition. All you have

to do to join is sign up.

Follow this link: <http://salute.colostate.edu/>.

Click on join and fill out the online application, pay a \$20 membership fee, and send in your DD-214 and unofficial transcript proving your GPA. After you've been accepted, we will hold an induction ceremony here on campus and you will receive a certificate with your name on it as well as a coin. If you are interested in this

organization and have further questions about it, shoot Jessica Robinson an email at [jmrobinson2@bsu.edu](mailto:jmrobinson2@bsu.edu). Being a part of this honor society is really easy and doesn't have too many commitments as I know many of you are probably very busy students. Having this on your resume will make you look more employable and desirable, so consider joining if you are eligible!
