Day for Regular Classes

December 10-14— Final Ex-
ams

Ball State University

Upcoming Events

By: Emily Kirkpatrick

Pictured below is a flag that flew at Minnestrista Center on 9/11, and has been donated to the Student Veteran Organization to be used during our Walking Wounded March. The Walking Wounded March will be held in April 2014, honoring all veterans with apparent and non-apparent injuries, such as PTSD. Jessica Robinson, President of the SVO, is chair of the Walking

Wounded Committee. Any veterans, service members, or family members are encouraged to help plan and participate in this event.

Hondo Tamez, President of the SVO and also a grad student in the CCIM program, will be holding a Bowling and Pizza night for all members and their families in October. In November, the SVO will be attending the presentation of a new home in Cowan to a Wounded

Warrior by Fairfield Mortgage Company. This will be the subject of National News Coverage. Also in November, the SVO will be holding a movie night in the Student Center Ballroom with soft drinks and popcorn. These events are open to all members and also their families. More information concerning this events will be sent out later. We encourage you to email us with any questions or RSVPs.
