The 4th annual Student Veteran Organization Conference will be held Friday and Saturday, April 11-12, starting at 9:00 a.m. The conference will be held at the Military and Veterans Law Association at Valparaiso Law School, at the Northern Indiana campus. The first day of the conference is what they are calling a Work Ahead Clinic. Attendants are able to job shadow at different busi-

nesses. The second day is based on on-campus experience veterans experience and provide resources to help SVO Leaders help their organization grow. The registration for this event is free and food will be provided. Lodging may also be available. For more information or questions, you can contact Jamie Simek at [jsimek.@purdue.edu](mailto:jsimek.@purdue.edu).

The link below is a survey presented by the SVO. Answering these questions will allow the SVO to plan events that students wish to go to, and are able to attend.
