# The Expedition

## Outdoor Pursuits Newsletter

Contributing Editor: Maya Zaragoza

Spring is here, stay tuned for Ball State Outdoor Pursuit's First Bouldering Competition and information about our specially offered Wilderness First Responder course. And you still have a chance to snag a spot on OP's backpacking trip to Hoosier National Forest! The OP is also hiring a new bike mechanic so check out the attached flyer if you think you have what it takes. Don't forget, the Outdoor Pursuits Rental Center and Ball State climbing wall will be open this Summer so you can ...

Get *Outside* and Play!

# Wilderness First Responder Course

Date: May 8-16 9:00am-6-pm

Price: \$400 BSU Affiliate  
\$520 Non-BSU Affiliated

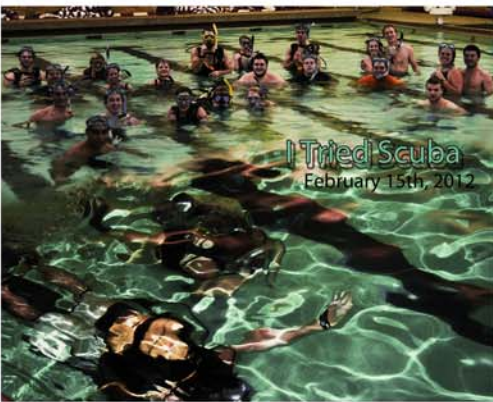

Requirements: Must hold a current CPR certification. (CPR certifications available May 7th for \$30)

For housing options, payment plans, and more information contact Stephanie Reinhart at 765-285-4170 or outdrpursuit@bsu.edu

In this 9 day course designed for those who work or travel in remote settings, you will gain the skills and confidence to make complex medical decisions in a remote environment. The WFR certification is valid for 3 years and upon successfully completing the WFR course you can apply to become an Outdoor Pursuits Trip Leader. You will develop professional level first aid skills in the course that are nationally recognized through Stonehearth Open Learning Opportunities (SOLO). Class credits are available! (NREM 299x - 3 Credit Hours)
