TRADITION: HOME FIELD ADVANTAGE

18 ALL-AMERICA SELECTIONS INCLUDING 5 FIRST-TIMEEERS
4 NCAA TOURNAMENT APPEARANCES

In 36 years as an intercollegiate sport at Ball State, the field hockey program has accumulated a 374-306-18 overall record for a .549 winning percentage. BSU owns .500-or-better records against 60 percent of its opponents.

EDITH A. PATTON MEMORIAL SCHOLARSHIP

The Edith A. Patton Memorial Scholarship was established as a memorial to Edie Patton, an assistant field hockey coach for 14 years at BSU, who passed away Oct. 26, 1993, after a lengthy battle with cancer. Patton helped build Ball State's field hockey program into one of the most respected in the country. During her tenure, the Cardinals posted 13 winning seasons, six undefeated regular season league finishes, six Mid-American Conference Championships and the school's first-ever berth in the NCAA Tournament.

To be considered for the award, a student-athlete must meet the following criteria: 1) be a participant on the BSU field hockey team for a minimum of two years; 2) be a player who demonstrates a commitment to the defensive aspects of the game; and 3) demonstrate those kinds of characteristics that Edie so vividly displayed and encouraged, including integrity, courage, commitment, a desire to be the best and the ability to laugh at yourself. The annual award is determined by the field hockey coaching staff and athletic director.

The Cardinals hosted a first round NCAA Tournament game in 1994, earning a 3-0 shutout win versus ninth-ranked Ohio State.

HEAD COACH: Beth Maddox (Old Dominion ’05), second season
ASSISTANT COACH: Jacque DeMarco (Colgate ’07), second season
STUDENT ASSISTANT: Morgan Cloutier
STUDENT ASSISTANT: Brittany Hammer

Beth Maddox enters her second season as head coach of the Ball State University field hockey team in 2011. Maddox is the sixth head coach in Ball State history. Under her direction, the Cardinals have brought in 10 freshmen for the 2011 season, in addition to nine current upperclassmen.

Maddox guided the Cardinals to a 6-14 record last season, the squad's best since 2006. Ball State posted wins over non-conference foes Robert Morris, St. Louis, Longwood and in-state rival Indiana, as all-conference first team selection Devanny Kuhn, all-league second team choice Gretchen Lulow and Maura Sawicki led the way.

Kuhn collected First Team All-MAC and two MAC Offensive Player of the Week honors, while Lulow tallied Second Team All-MAC accolades and Sawicki collected MAC Defensive Player of the week honors. The Cardinals also excelled in the classroom last season with Kuhn and Lulow earning Academic All-MAC honors.

Maddox came to the Cardinals after completing her third season at Colgate in 2010, where she assisted Cathy Foto in all aspects of the program, including player development, practice preparation, video editing and recruiting. In addition, Maddox participated as a coach at the 2008 U.S. Field Hockey Association Futures Program.

Maddox, who also coached individual and team camps at Old Dominion, was involved as a coach in the Virginia Beach Hockey League. Prior to her stint at Colgate, Maddox coached the Salem High School junior varsity field hockey team.

A 2005 graduate of Old Dominion, Maddox was a four-year letter winner for the field hockey team. As a midfielder, she played in 77 games, starting 66, and accumulated seven goals and two assists in her career. During Maddox's time at Old Dominion, the field hockey team made consecutive NCAA tournament appearances and won the national championship in 2000. The Lady Monarchs were also four-time Colonial Athletic Association Champions while Maddox was on the squad.

A native of Virginia Beach, Va., Maddox graduated from Old Dominion University with a degree in communications. She graduated from Salem High School in 2000 and was a National Field Hockey Coaches Association All-American.
Jacque DeMarco enters her second season as the assistant coach for the Ball State field hockey program.

In 2010, DeMarco helped lead the Cardinals to a 6-14 record and helped coach an All-MAC First Team selection and an All-MAC Second Team selection, as well as various MAC Player of the Week selections.

Before coming to the Cardinals in 2010, DeMarco assisted Cynthia Wetmore at SUNY Cortland in all aspects of the program, including recruiting, practice planning and skill development focusing on goaltending. Under the direction of Wetmore and DeMarco, the Red Dragons maintained a nearly perfect season at 19-1, held a No. 5 national ranking and were an NCAA Regional Finalist team. Among players DeMarco has improved is Ashley Hughes, who was named a 2010 All-Region Second-Team goalkeeper.

Prior to coaching at Cortland, DeMarco was the assistant coach at Hartwick College during the 2007 and 2008 seasons. She has also served as the head goaltender coach for the USA Field Hockey Region Four squad since January 2007 and has worked at numerous field hockey camps.

A 2007 graduate of Colgate, DeMarco was a four-year starting goalie for the Raiders and a two-time Patriot League Goalkeeper of the Year. In her senior season, the two-time team captain finished No. 2 in the country in saves, and earned first team all-league honors as a senior after earning second team as a junior. She was an All-Region Second Team choice as a senior.

A native of Hudson, Ohio, DeMarco graduated from Hudson High School before earning a degree in sociology and religion from Colgate.

Jo Ann Gora began serving as Ball State’s 14th president in August 2004. Under her leadership, the university has made immersive learning the hallmark of every Ball State student’s college experience. From 2007-2010, nearly 8,200 students completed more than 500 immersive learning projects throughout Indiana and beyond.

Gora has led the development and implementation of the university’s Education Redefined strategic plan, which was the basis of the university’s capital campaign, Ball State Bold. It concluded in June 2011 and topped its $200 million goal by more than $10 million.

Since Gora’s arrival, Ball State has been in the midst of an unprecedented era of campus improvement. For the eight-year period ending in 2012, the university is spending approximately $418 million on major construction and renovation projects. Gora was one of 12 charter signatories to the American College and University Presidents Climate Commitment in 2006. She has led Ball State’s sustainability efforts, including its geothermal energy project, the largest of its kind in the country. This fall, the university completes Phase One of the project, shutting down two coal-fired boilers and saving more than $1 million annually in operational efficiencies.

In 2009, Gora earned the Mira Trailblazer Award from TechPoint for her significant and lasting contributions to technology innovation in Indiana. She is a member of the American Council on Education’s Board of Directors and the Association of Governing Boards’ Council of Presidents. She chairs the Mid-American Conference Presidents’ Council and co-chairs the Central Indiana Corporate Partnership. She serves on the boards of the Indiana Chamber of Commerce, First Merchants Bank, and Ball Memorial Hospital.
Among our more than 152,000 living alumni are renowned entertainers, top corporate executives, leading educators, and members of the Indiana General Assembly.
