**STUDENT ASSISTANTS:** Richard Osterholt
Head Coach Bob Thomas  
36TH SEASON -- 218-183-2 OVERALL -- 94-111-1 MAC

The winningest coach in the 70-year history of Ball State men's swimming & diving, Bob Thomas enters his 36th season as the program's head coach. From the 2004-05 season through the 2008-09 season, he was also the co-head coach of the women's swimming & diving team.

A four-time Mid-American Conference Coach of the Year (1992-93, 1994-95, 1999-00 & 2002-03), Thomas has accumulated a 217-177-2 (.548) career record, including a 94-109-1 (.461) league ledger. He has guided the Ball State men's squad to a pair of runner-up finishes at the MAC Championships (1992-93 & 2002-03), while guiding the team to a top three finish eight times.

Over his career, Thomas has coached his student-athletes to MAC individual championships a total of 40 times, while helping guide his relay teams to seven titles. His student-athletes have earned First Team All-MAC honors eight times, while collecting Second Team All-MAC accolades on 17 occasions.

He has also coached his athletes to four All-America honors, eight MAC Diver of Year awards, four MAC Outstanding Senior awards and a MAC Swimmer of the Year title.

The Cardinals' latest MAC individual champion came in 2005-06 when MAC Outstanding Senior award winner Kurtis Leer swept the freestyle sprint events, winning the 50, 100 and 200 titles. Leer, who is BSU's record holder in both the 100 and 200 freestyle, finished his career as a six-time MAC champion, also winning all three events his junior year.

On the women's side, Thomas helped guide Sarah Welter to the 100 backstroke title at the 2004-05 MAC Championships. Welter also swam the first leg of the 200 Medley Relay which captured the event title the same year with a school-record clocking of 1:45.04. Joining Welter in the relay were Tara Zimmer, Erin Johnson and Karla Bailey.

In 2002-03, Thomas picked up his fourth MAC Swimming Coach of the Year award by leading Ball State to an 11-3 dual-meet record and a second-place finish at the MAC Championships despite having just two seniors on the roster. The Cardinals had finished sixth at the league event the year before, giving Thomas the best turnaround in the MAC for the 2002-03 season.

Thomas collected his third MAC Swimming Coach of the Year award after the 1999-2000 campaign, as the Cardinals turned in another solid improvement from the previous season, climbing from eighth to fifth at the league meet. The team also posted a 7-5 dual-meet record, while going 5-2 in conference action.

From the 1995-96 to 1997-98 seasons, Thomas helped coach the program's latest MAC Diving Champion, as Dave Garrow collected three individual titles on the 1-meter board and a pair of championships on the 3-meter board. A two-time MAC Diver of the Year, Garrow ranks second in the BSU record books in all diving categories.

“Not all athletes wear shoes” - Doug Coers
Gayes joined the Ball State swimming and diving coaching staff in September of 2013 after a five-year stint as an assistant coach for Sun Devil Divers in Tempe, Ariz. In his first season Gayes led senior Jake Brehmer to one of the best campaigns in school history. Brehmer put his name in the Cardinals’ record book ranking second on 3m and third on 1m. He became the first Ball State male diver to qualify for the NCAA Zone Diving Championships since 2007 and the first to finish in the Top 8 at the MAC Championships in the same span. Brehmer was named team MVP and Ball State’s Comeback Student-Athlete of the Year.

During his tenure with the Sun Devil Divers, Gayes worked to develop athletes from elementary-age through collegiate All-Americans on the springboard and platform. Gayes helped produce multiple Junior Zone, high school state, National and Senior National qualifiers.

Gayes has six years of coaching experience at the high school level having coached at McClintock High School in Tempe, Ariz., for three years and at Delta High School in Muncie for three years. During his time at the prep level, Gayes coached state qualifiers, medalists and All-American qualifiers.

The Indianapolis native also spent time as an assistant and head coach of Ray’s Rippers Diving Club based out of Indianapolis.

During his coaching career, Gayes has helped develop divers that have gone on to compete collegiately at Alabama, Arizona, Auburn, BYU, Denison, Idaho, Illinois State, Miami (OH), Miami (Fla), Michigan, Northern Arizona and Western Kentucky to name a few.

Gayes is a 2003 graduate of Ball State University where he majored in journalism. He and his wife, Kari, have one daughter, Katherin.

Head Coach Kristy Castillo

Kristy Castillo enters into her third season as the head coach of the women's swimming and diving team after a successful first two years at the helm of the program.

In the 2013-14 season, Castillo led the cardinals 3-6 dual record, while going 0-4 in the Mid-American Conference. At the 2014 MAC Championship, Bridgette Ruehl claimed the 100 and 200 breaststroke individual titles with times of 1:01.13 and 2:12.57, respectively, while Ball State was able to win the 400 medley relay for the second year in a row thanks to the combination of Ruehl, Mallory Miles, Haley Richter and Carlena Magley who finished in a 3:40.06.

Ball State ultimately had Richter and Ruehl named to All-MAC First Team, while Jackie Iglesias, Emily Wisolek, Richter, Ruehl and Miles earned Academic All-MAC accolades.

In the 2012-13 season, the Cardinals accumulated an 8-2 dual record, including going 2-2 in MAC meets. Ball State won four individual medals at the MAC Championship, including three golds. The 400 medley relay also took home a gold medal after setting a school record. Bridgette Ruehl became the third woman in school history to qualify for the NCAA Championships, competing in the 100 and 200 breast. Diver Madie Zirzow also qualified for the NCAA Zone Diving meet.

Castillo promoted success not only in the pool, but in the classroom during her first season as head coach. The team was named a 2013 CSCAA Scholar All-America team by the College Swimming Coaches Association of America. The team finished with a 3.45 GPA. Seniors Miles, Richter and Emily Wisolek earned the distinction of being named to the Honorable Mention All-America list. In addition, Miles, Richter, Wisolek and Ruehl were named to the Academic All-MAC Team.

Castillo came to Ball State after serving as an assistant swim coach at Akron University from 2003-2012. In addition to her coaching at Akron, Castillo served as an assistant lecturer at Akron from 2008-12. She also served as a coach and camp counselor at the Stanford Swim Camp in the summers of 2006-2009.

A 2003 graduate of Akron, Castillo began her coaching career as the head swim coach at Rosemont Country Club in Fairlawn, Ohio, in the summers of 2003-04. She earned her master’s degree from Akron in 2006.

As a student-athlete for the Zips, the North Canton, Ohio, native served as team captain for Akron in 2001 and 2002 and was a four-year letterwinner. She set school records in the 100 breaststroke, 200 breaststroke, 100 freestyle and as a member of four relay teams in her career. She still owns some of the school’s top times in several events.

Diving Coach
Second Season
Alma Mater: BSU '03

**Education:**
Bachelor of Arts in Journalism - Ball State University, 2003
Masters of Arts in Coaching Education - Ball State University, Est. 2017

**Experience:**
Ball State, Assistant Diving Coach, Sept. 2013 - Present
McClintock High School, Assistant Coach, 2008-2010
Delta High School, Assistant Coach, 2000-2003
Ray's Rippers Diving Club, Head Coach, 2002-2003

**Notes:** In his first season Gayes led senior Jake Brehmer to one of the best campaigns in school history. Brehmer put his name in the Cardinals record book ranking 2nd on 3m and 3rd on 1m. He became the first Ball State male diver to qualify for the NCAA Zone Diving Championships since 2007 and the first to finish in the Top 8 at the MAC Championships in the same span. Brehmer was named team MVP and Ball State's Comeback Student-Athlete of the Year.

During his tenure with the Sun Devil Divers, Gayes worked to develop athletes from elementary-age through collegiate All-Americans on the springboard and platform. Gayes helped produce multiple Junior Zone, high school state, National and Senior National qualifiers.

CARDINAL CUP AWARD

Ball State women's swim and dive team was awarded the Cardinal Cup in both the 2012-13 and 2013-14 seasons by the Student-Athlete Advisory Committee.

The Cardinal Cup offers the opportunity for all student-athletes to participate in a contest which encourages participation in three aspects of the NCAA requirements to be an active participant of a team. This competition is used to promote individual teams and the Ball State Athletic Department as a whole.

Teams are awarded points based on their participation in three areas: involvement with the athletics community, excellence in academics, and community service. These three areas were selected to make student-athletes aware of themselves and the community with which we are surrounded.

BALL STATE’S FIRST FEMALE NATIONAL CHAMPION

Patricia Bergman (1969-72) was a three-time national champion for the Cardinals. The first female national champion in any sport in the history of Ball State athletics and one of only a small number in school history, Bergman set national records in the 100-yard backstroke and 100-yard individual medley. She helped Ball State to a ninth-place finish at the 1971 National Interscholastic Swimming and Diving Championships as the Cardinals placed ahead of Syracuse, Indiana, UCLA, Miami (Fla.), Utah, Northwestern, Oklahoma, Washington State and several other schools. At the 1971 meet, Bergman won the national title in the 100 IM (1:03.2) just behind her national championship clocking of 1:03.0 set in 1970. She won the national title in 1970 in the 100 back (1:02.3) and finished second in 1971 (1:03.0). At the 1971 national meet, Bergman also placed fourth in the 50 back (29.6), plus helped BSU to a seventh-place finish in the 200 medley relay.

Paul W. Ferguson began his duties as Ball State’s 15th president in August 2014. Prior to his arrival at the university, he served as president of the University of Maine for three years. There, he led the Blue Sky Project, an inclusive campus planning and implementation process, to raise Maine to new levels of excellence as the most distinctively student-centered and community-engaged of the American research universities. Ferguson has a demonstrated record of transforming universities, especially in the areas of academic quality and student success, increased research and economic development, partnerships between the university and community, and faculty development.

Before his arrival at Maine, Ferguson spent five years as provost and vice chancellor for academic affairs at Southern Illinois University Edwardsville, where he also was professor of pharmacology and toxicology. He implemented five major initiatives there, improving academic quality and assessment, student success, faculty development, educational outreach, and enrollment management. The university received national recognition for its academic innovation, culture of assessment, and commitment to continuous quality improvement.

An accomplished scholar with a record of achievement spanning more than three decades, Ferguson began his academic career as assistant professor of pharmacology and toxicology at the University of Louisiana at Monroe (ULM). There, he established the first undergraduate toxicology program in the South while leading research and outreach efforts aimed at assessing potential risks from chemical exposures throughout Louisiana. After five years working as senior toxicologist for Unocal Corp. in Los Angeles, he returned to ULM, where he earned awards as professor and head of the Division of Pharmacology and Toxicology. In 1993, he was appointed dean of graduate studies and research, and in 1995, he was named vice provost.

In 1999, Ferguson came to the University of Nevada, Las Vegas as professor and dean of the Graduate College. He helped that university realize its vision of becoming a premier metropolitan research university by serving in a number of leadership roles, including senior vice provost and vice president for research and graduate studies. In the latter position, he led the continued development of the UNLV research and graduate education enterprise, which saw annual extramural funding increase from $59 million to $95 million and the number of graduate programs rise from 74 to 109.

A Southern California native, Ferguson graduated from Whittier College and later earned a doctoral degree in pharmacology and toxicology at the University of California, Davis in 1981. Between his undergraduate and graduate studies, he worked as a research specialist at the Los Angeles County-University of Southern California Medical Center and as a research biologist for Pennwalt Corp.

Ferguson and his wife, Grace, have been married for 40 years and have three children. David lives in Houston, Texas, where he is a postdoctoral research scientist at the Baylor College of Medicine; Kathryn and her husband, Bobby Bowman, live in New York City, where she completed her studies at NYU School of Medicine; and Jenny recently earned her bachelor’s degree at the University of Maine, where she majored in political science.
