

INK
BLOTS

Children finding shells, pebbles,
and places within ink-blot patterns
using black tempera paint and brushes. . . .

1977-78 SECOND GRADE CLASS
GARFIELD ELEMENTARY SCHOOL
MUNCIE, INDIANA

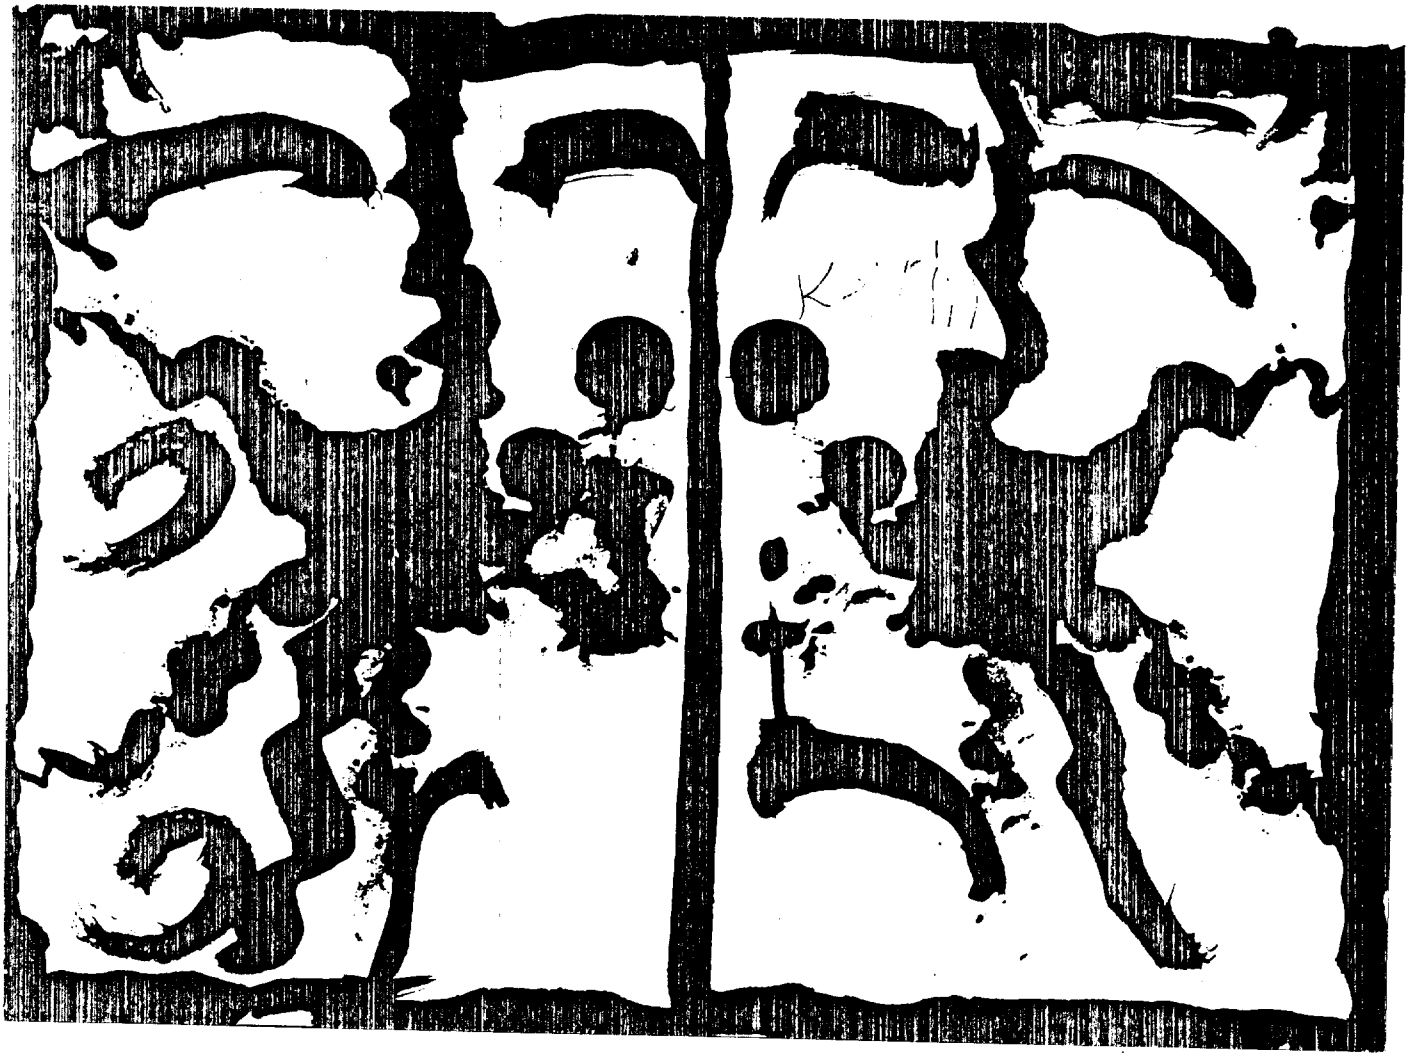

by Patricia.

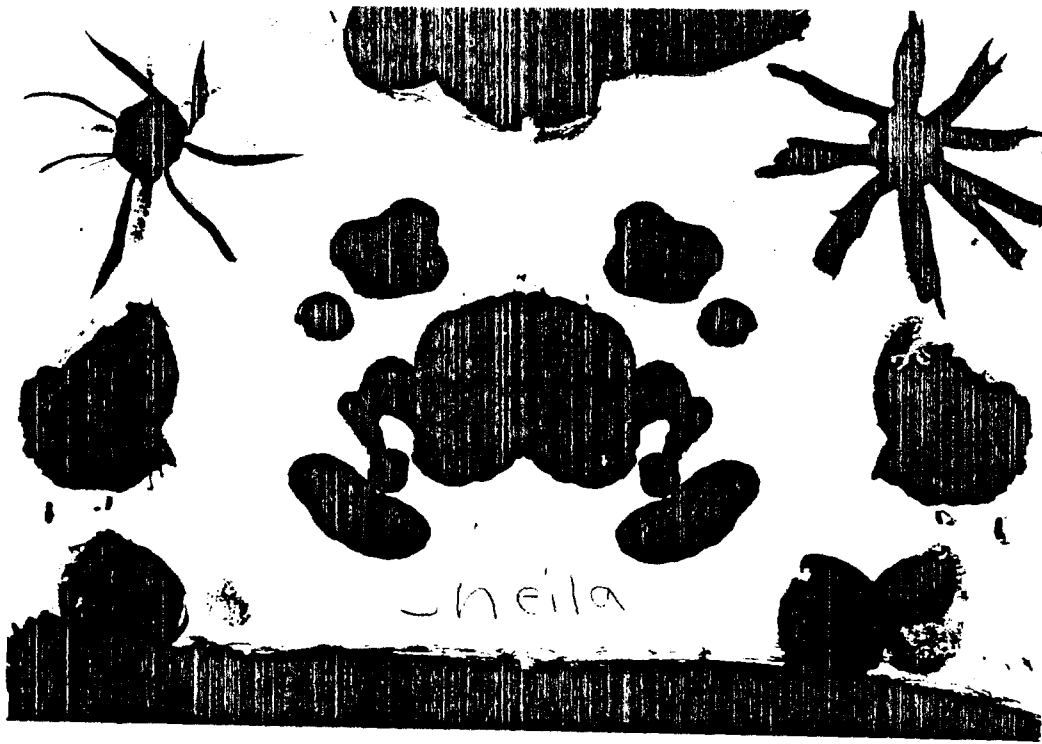

Two little children are watching the birds and airplane too.

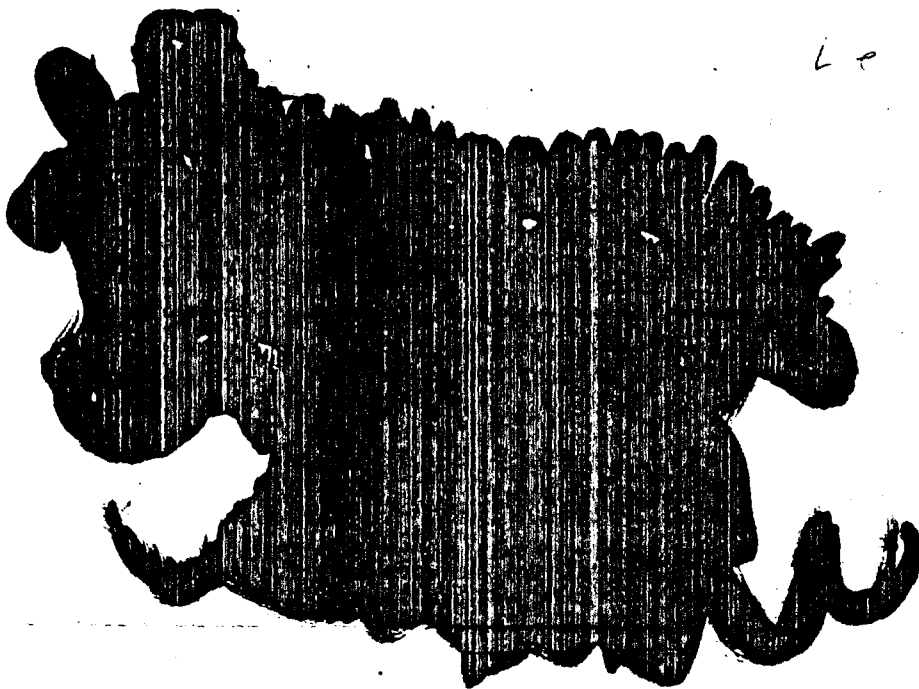

This is a eagle from eagle's mountain.

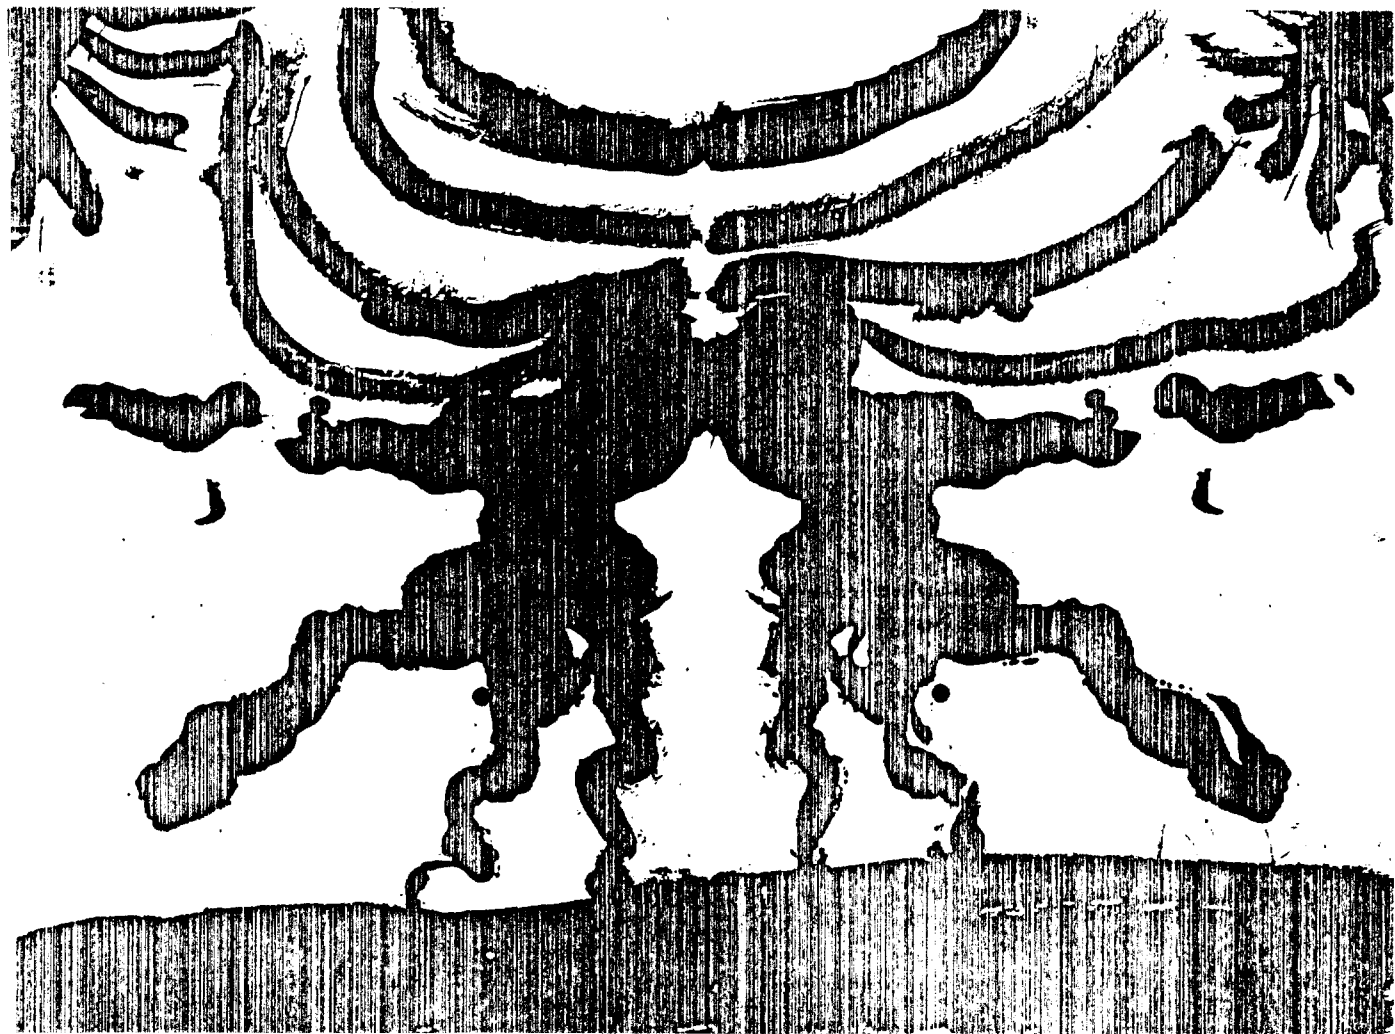

Fish Under Water

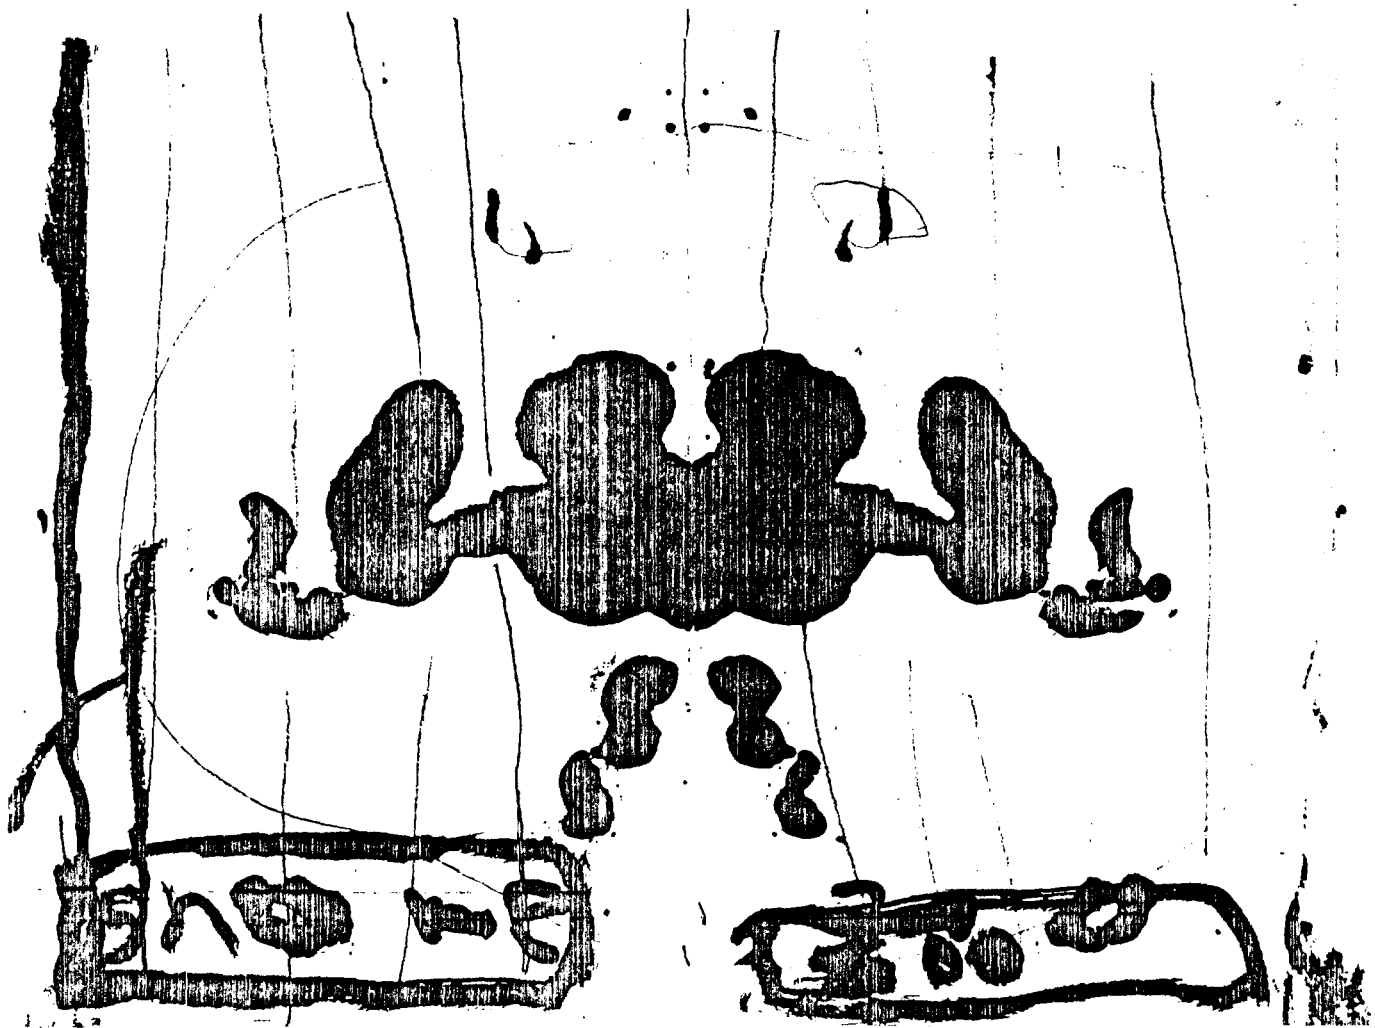

I like the picture

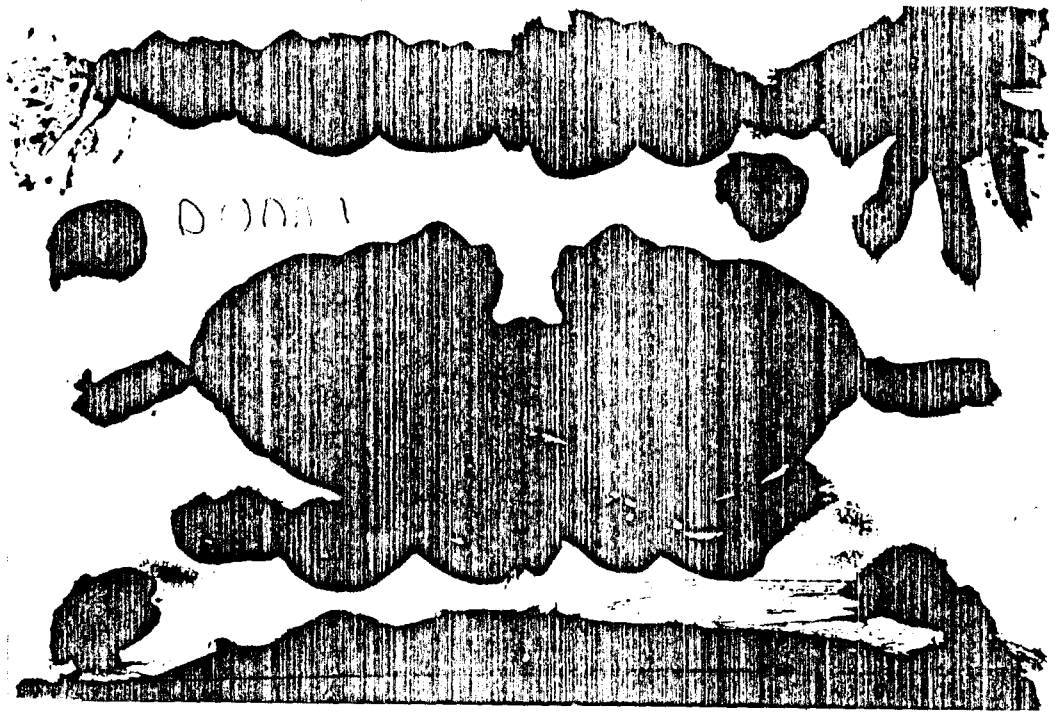

This is a cute horse.

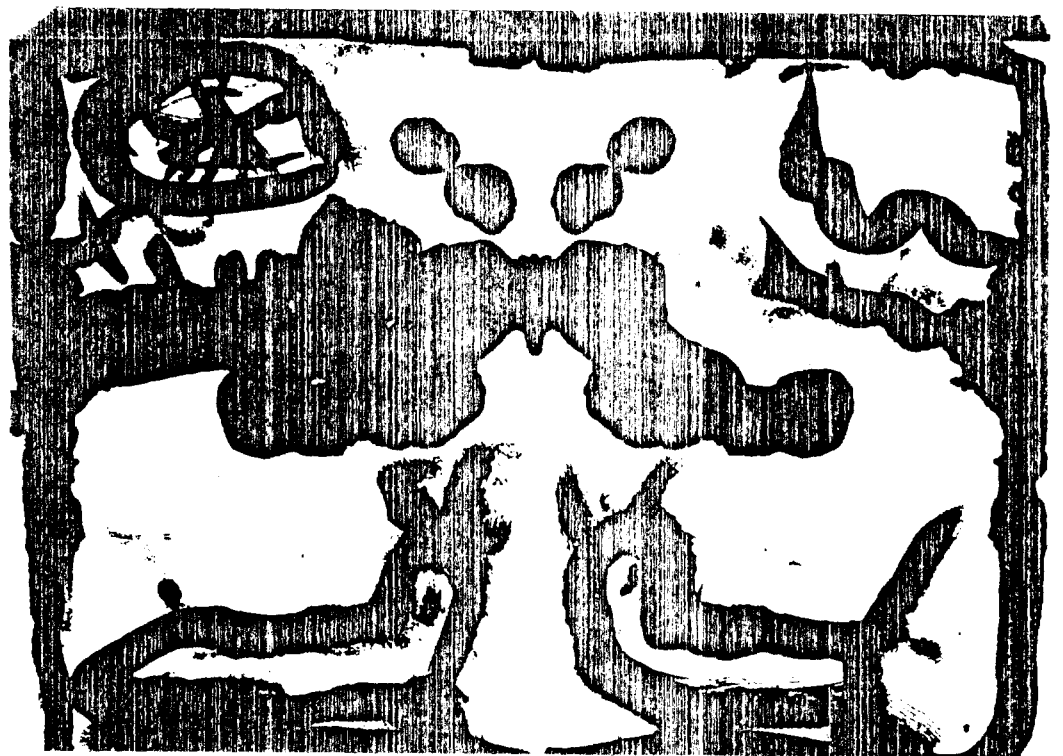

My Octopus

I have a snake that will eat leffovers.

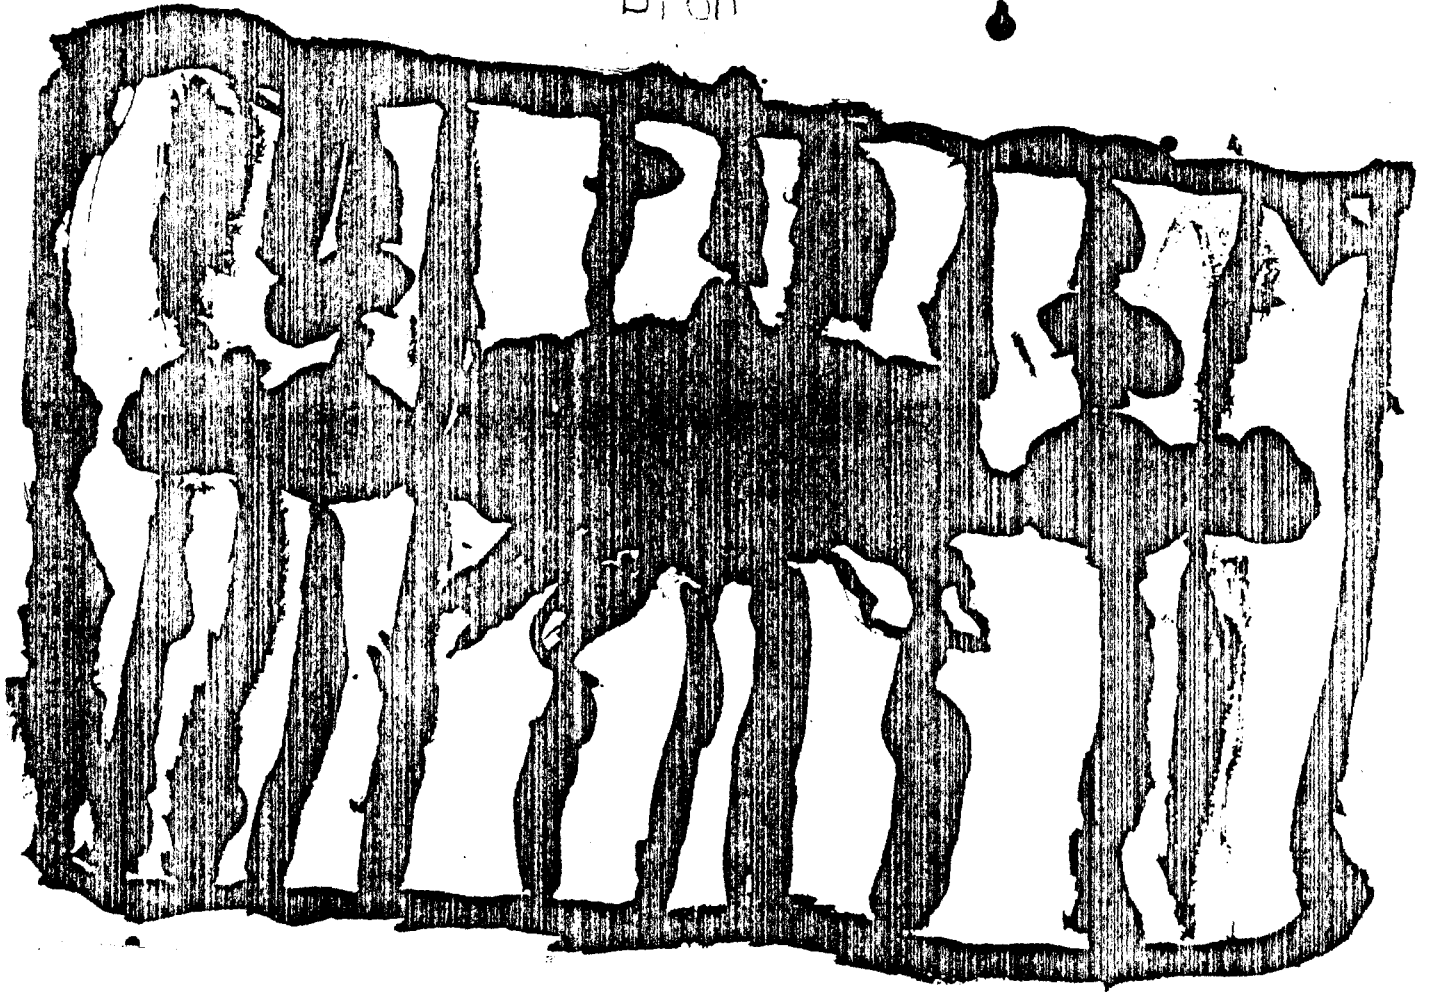

I make a picture I like.

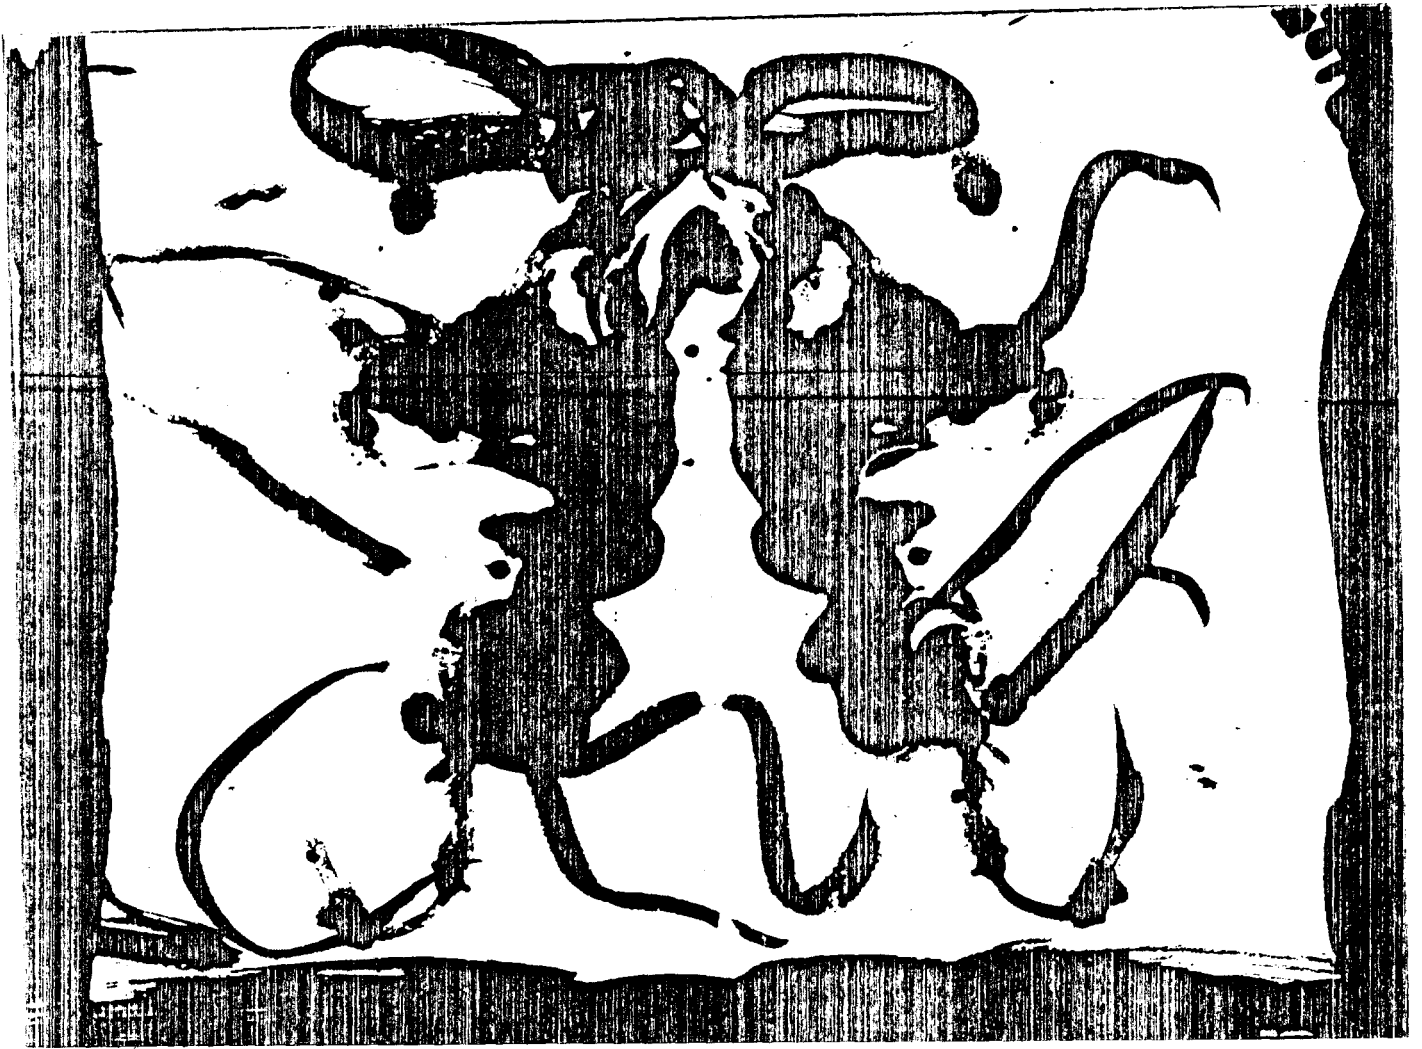

Turtles

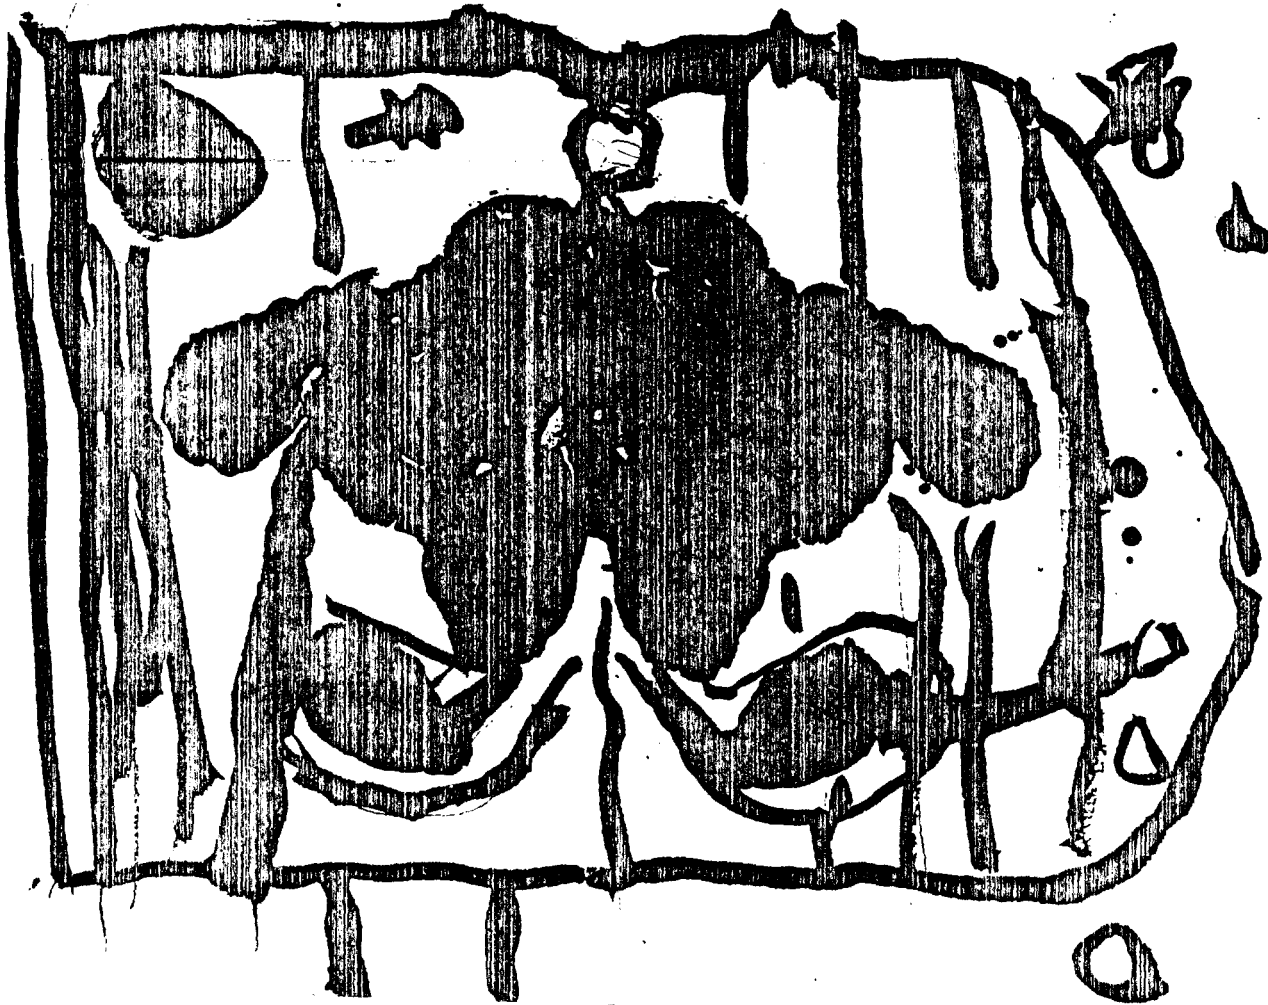

Dion

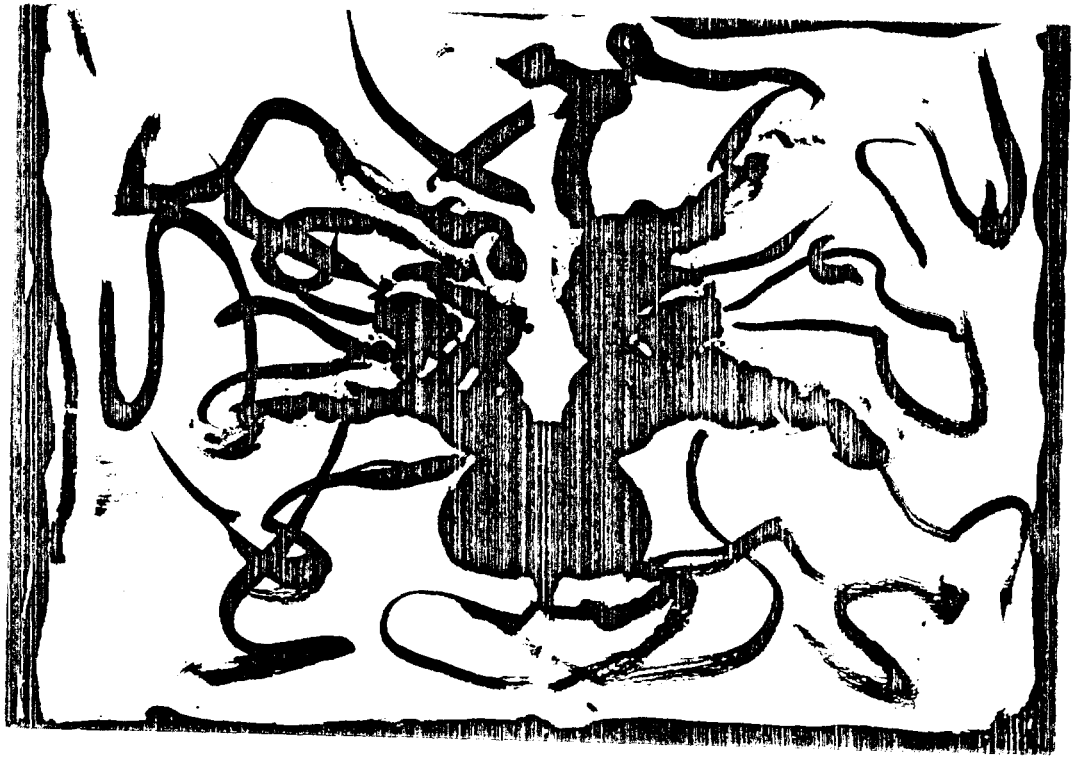

I made a alligator in a cage.

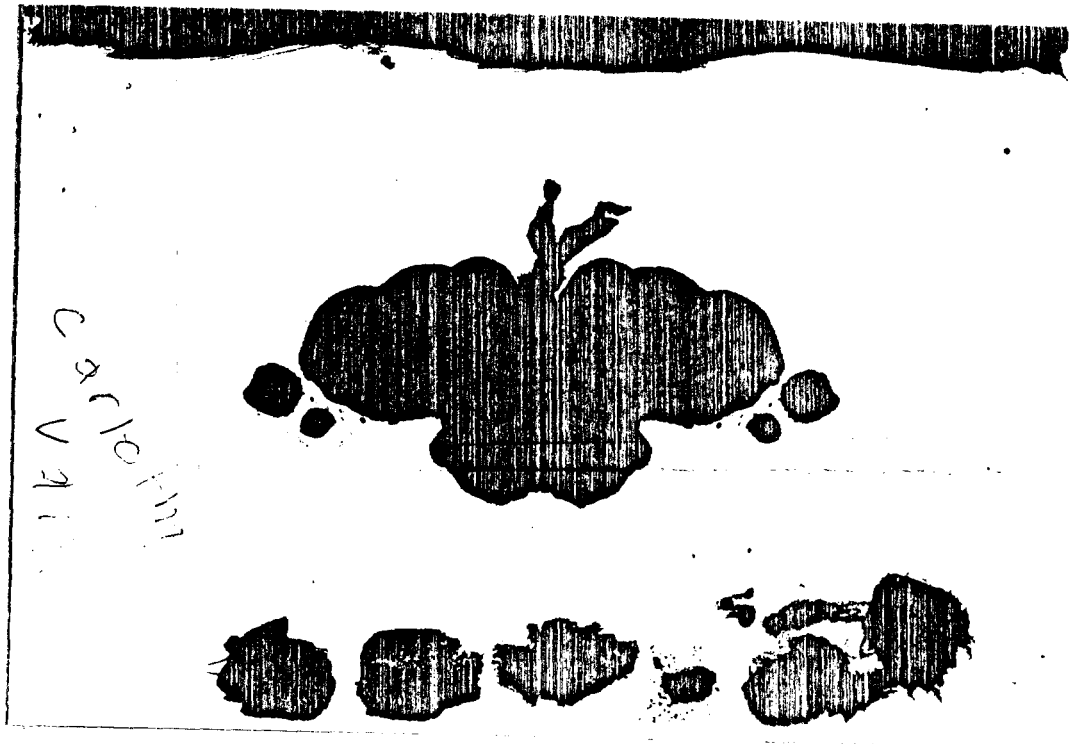

Buttrfly and Snake

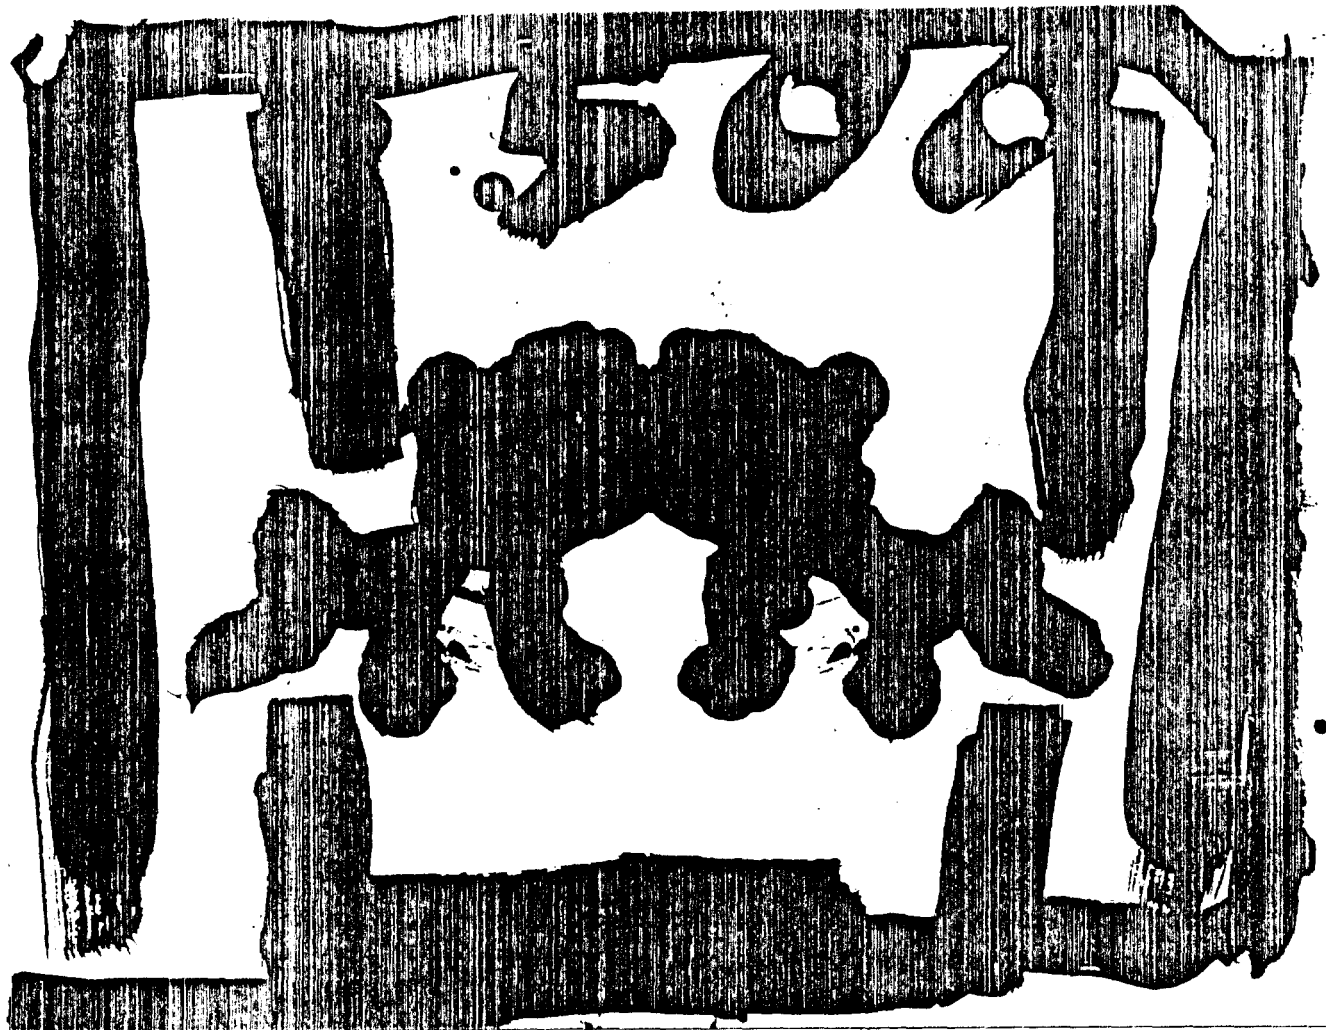

The Gorilla is out of the zoo he out on the streets.

This is two octopus with six leg makes twelve legs too?

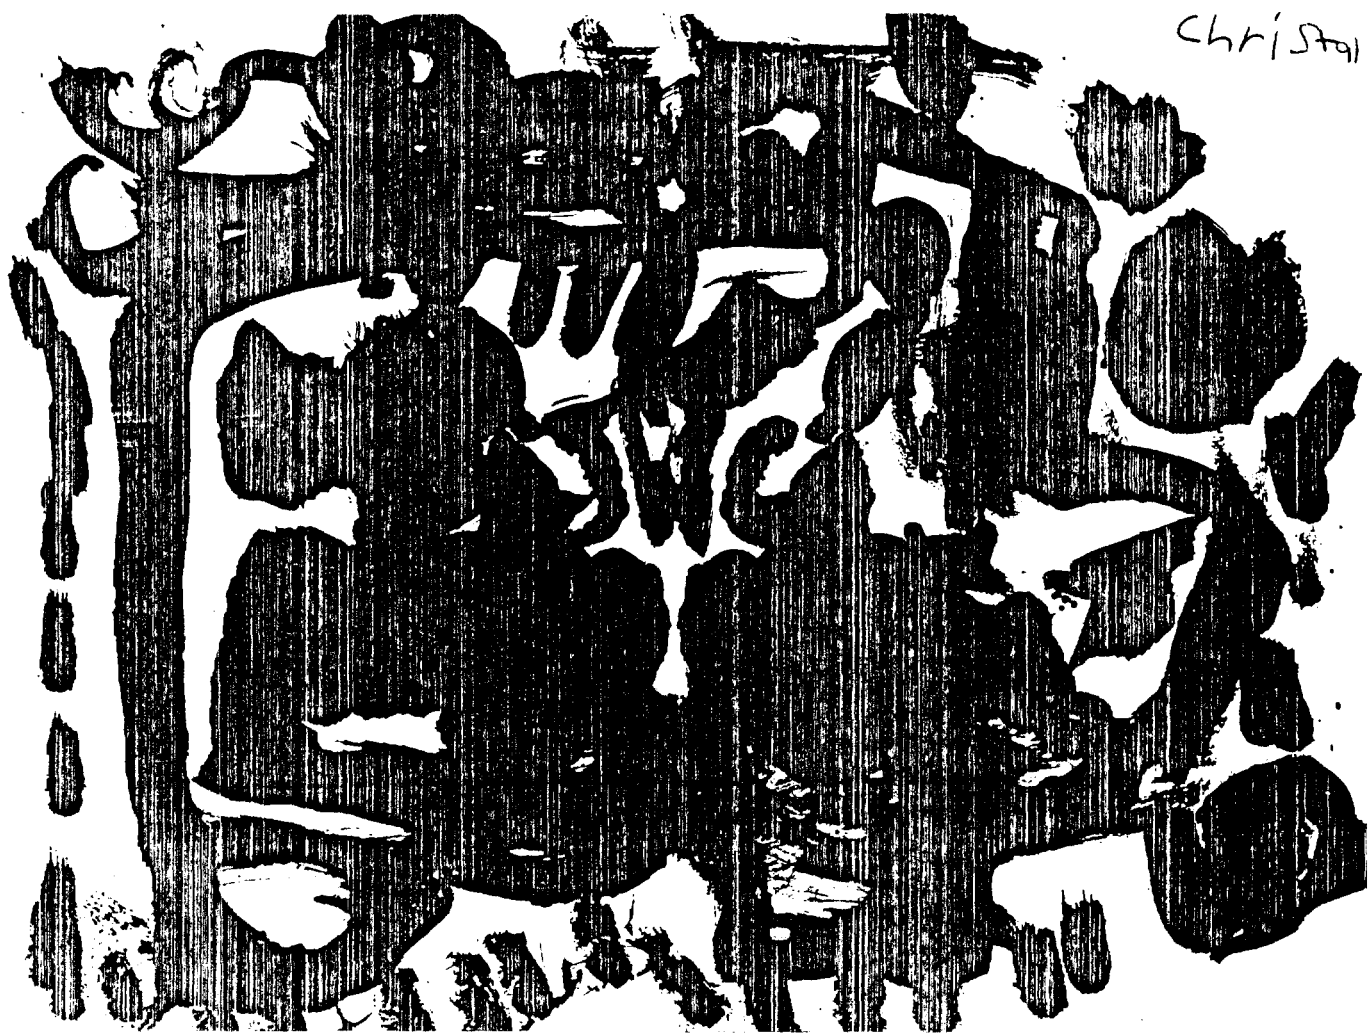

I have a buttrfy play

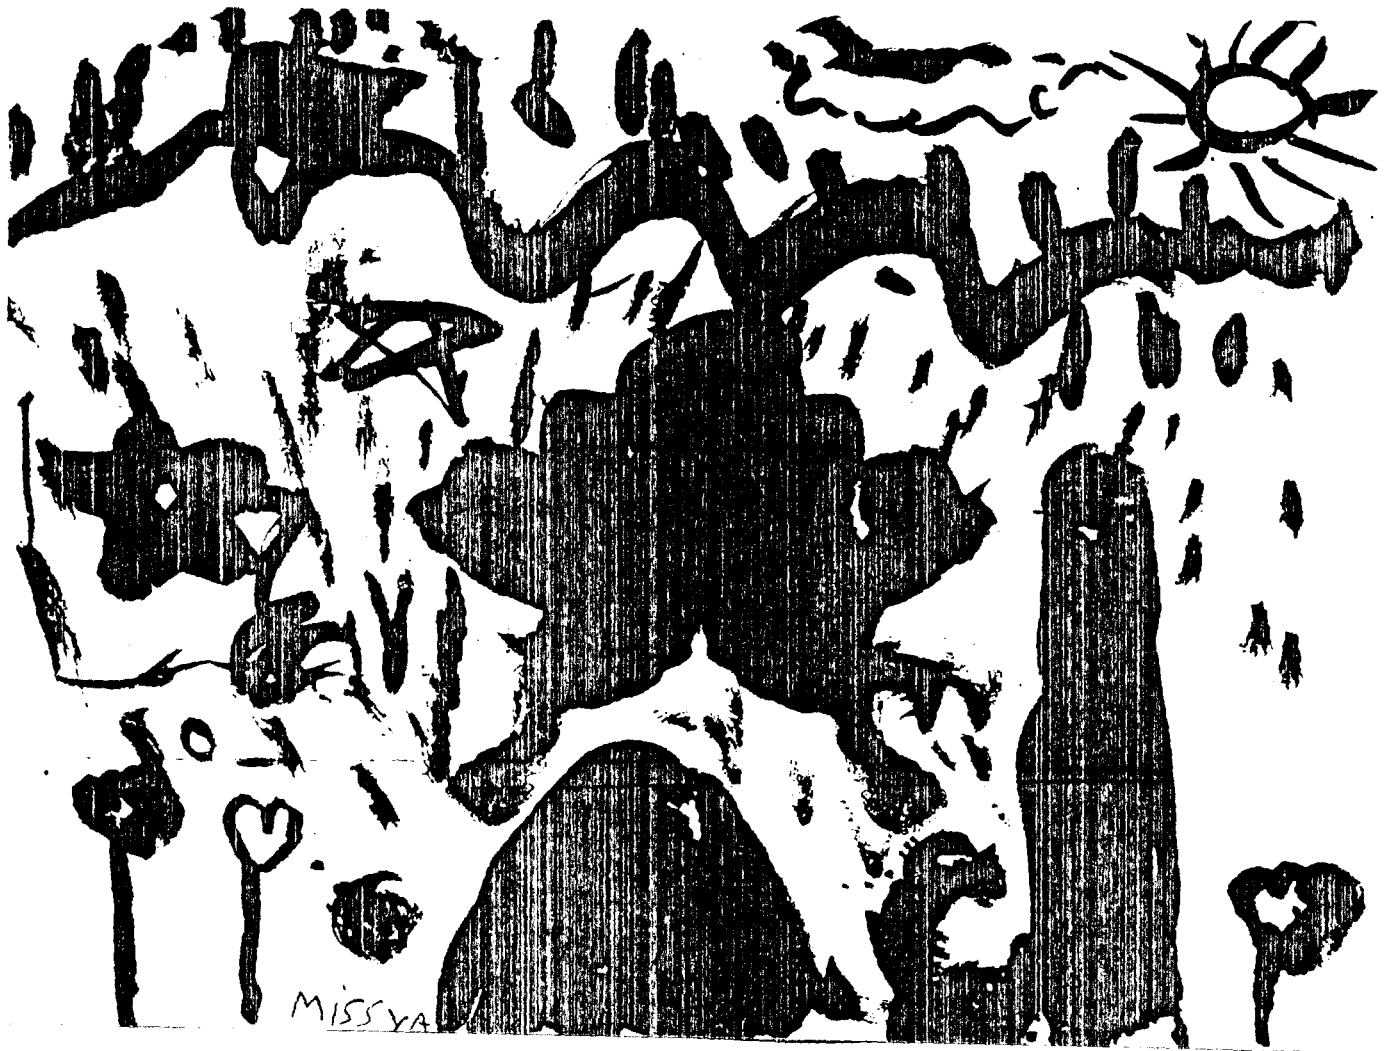

The zoo has Bears Bears like you Bears like to eat

Christal

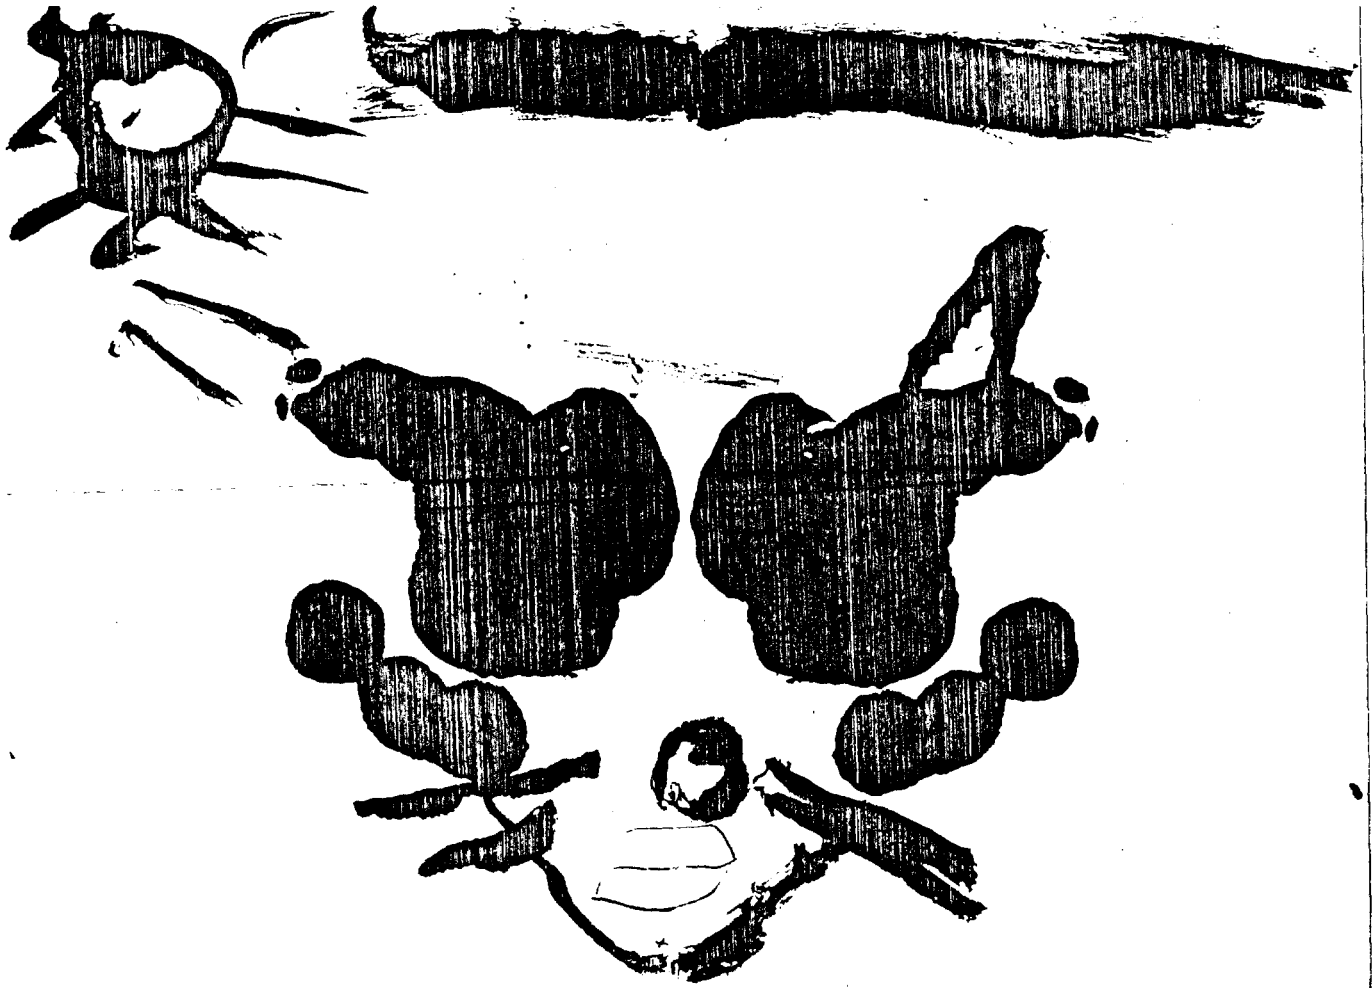

Zoo and animal cages.

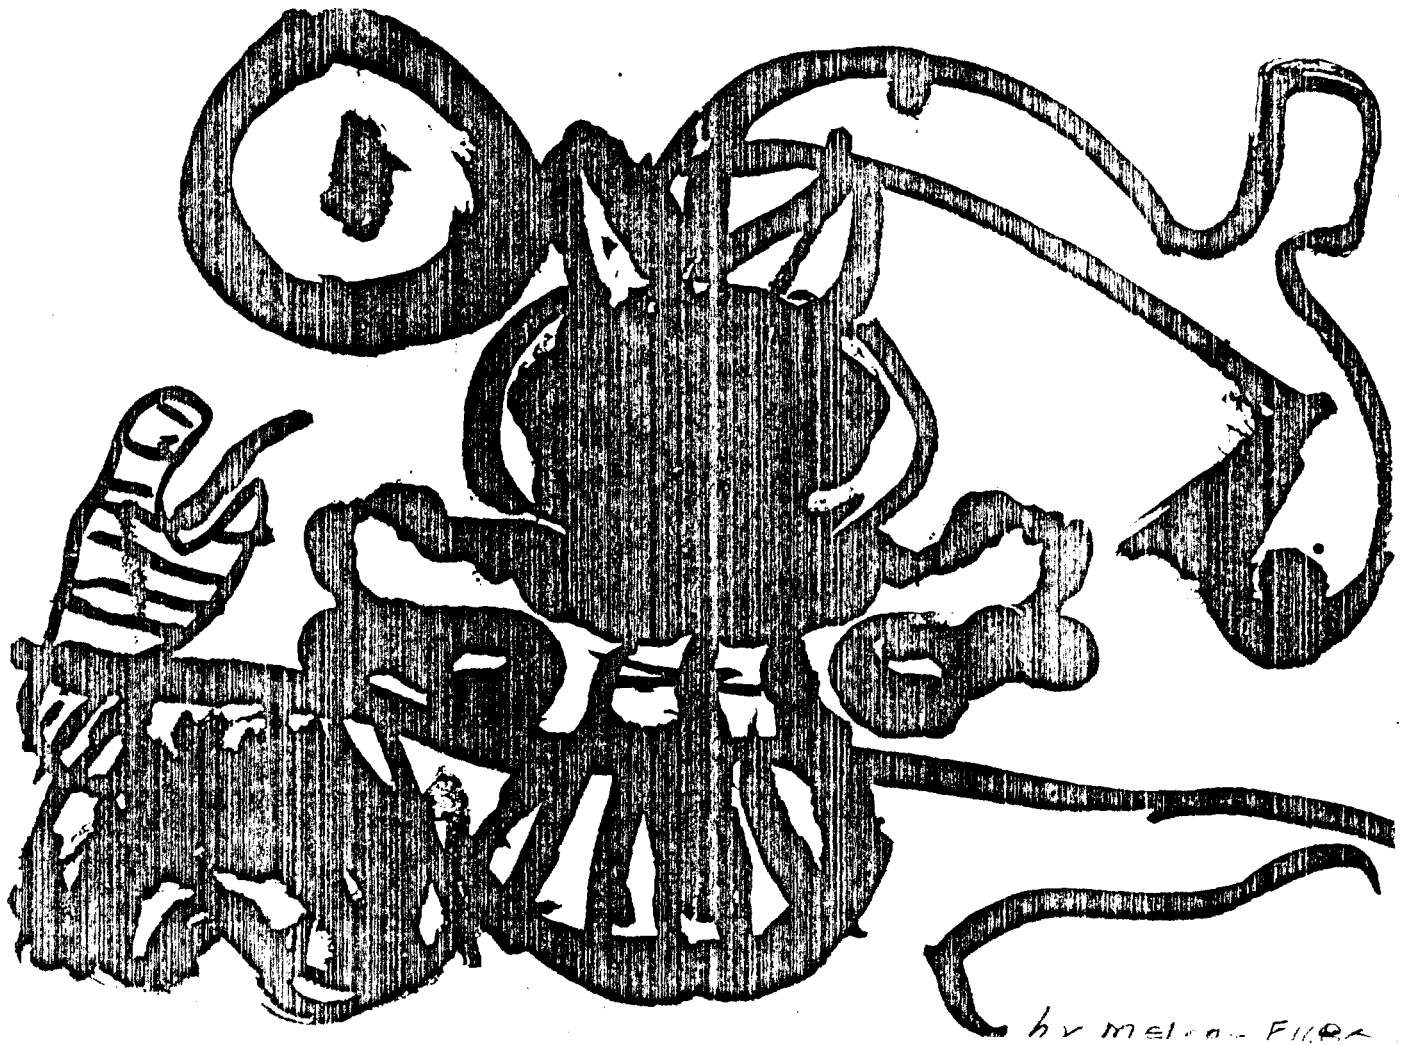

I like the Butterfly. I like the cow.

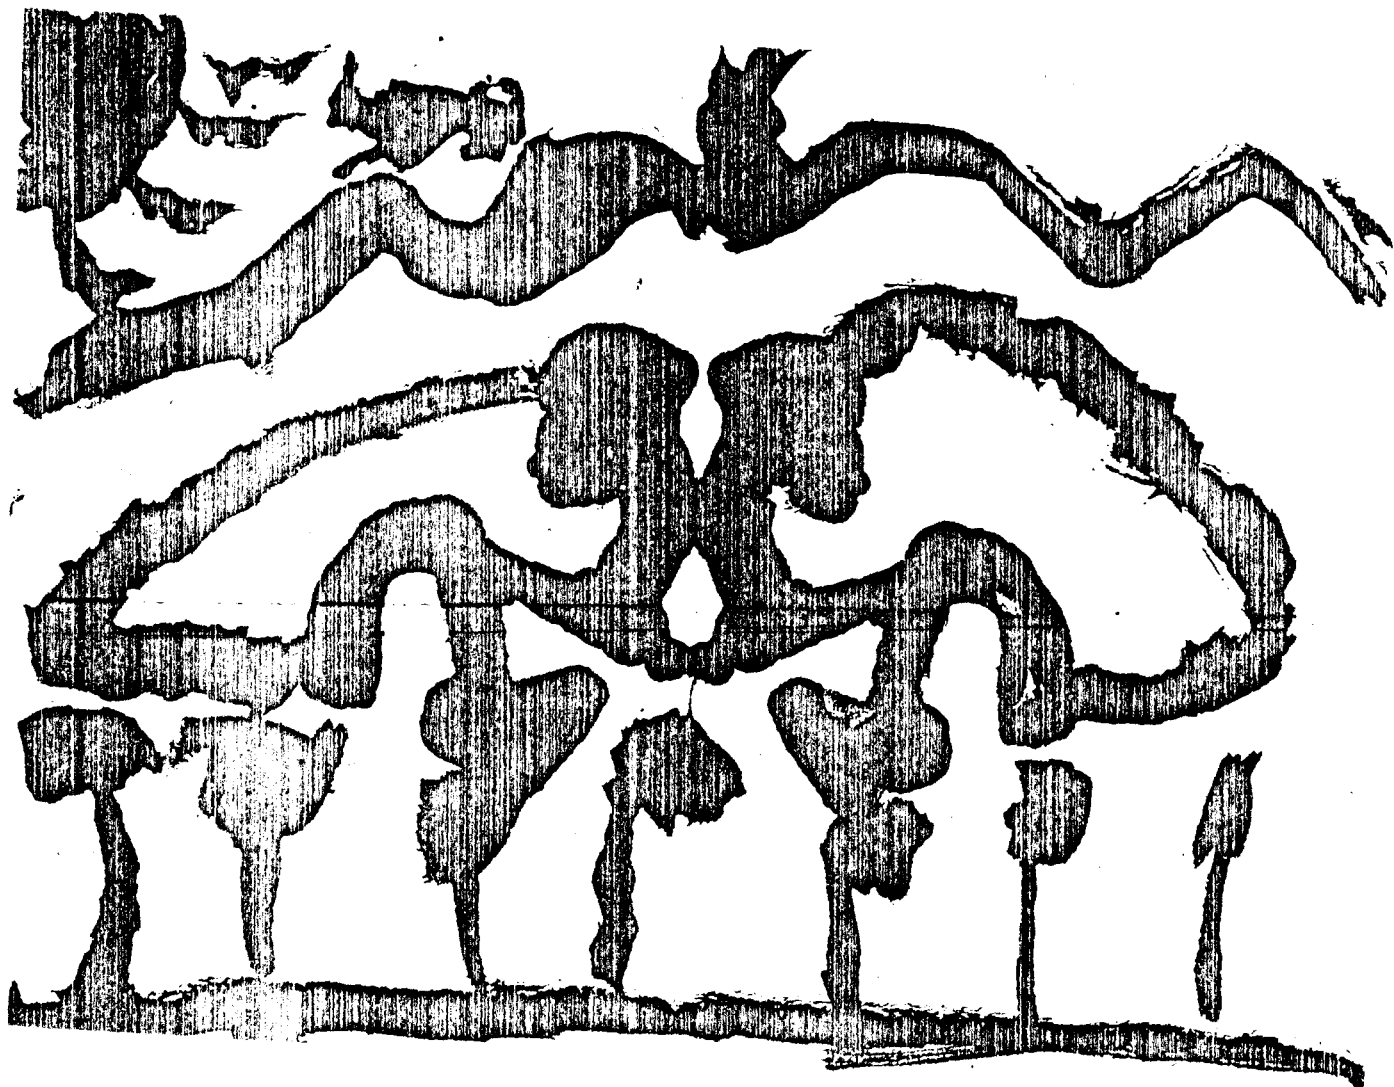

The Boys are sleep in Bed

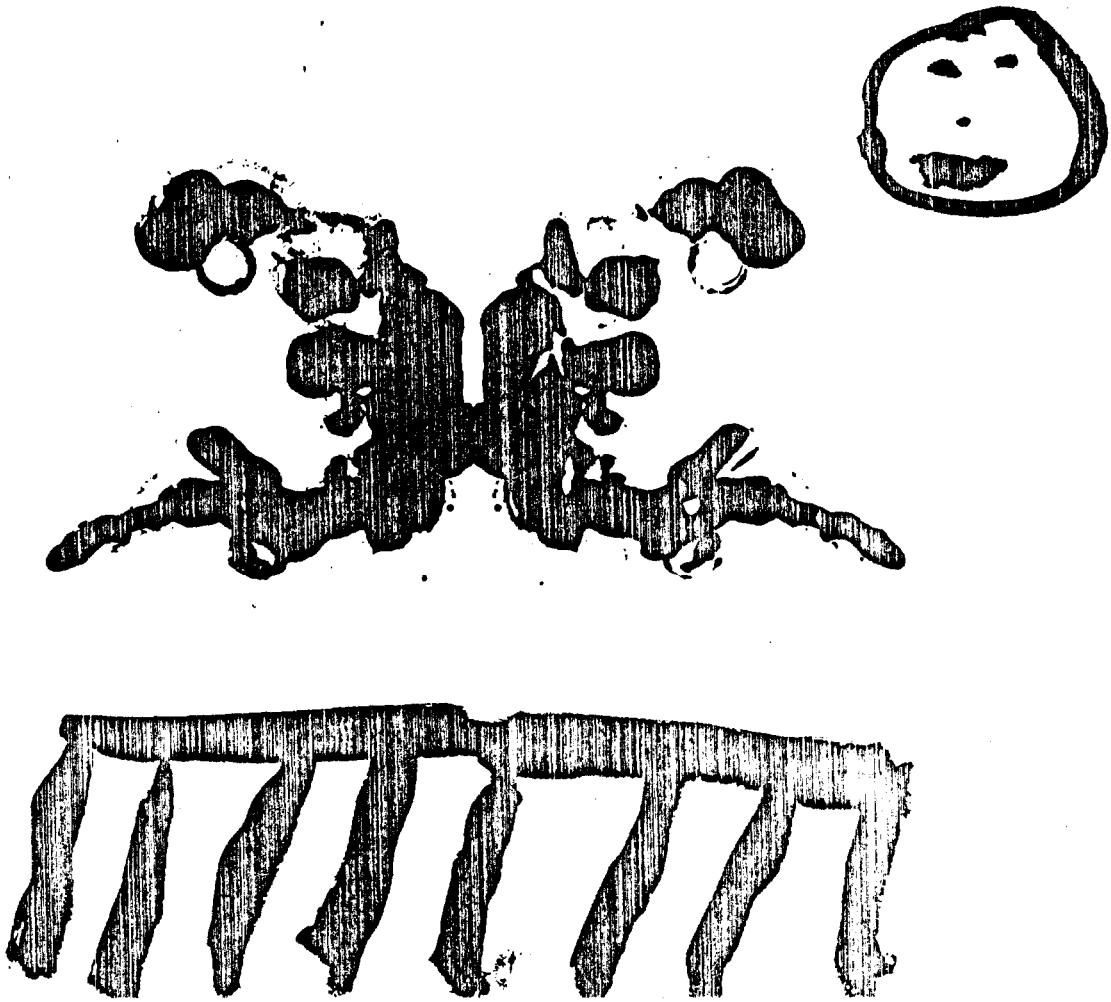

This is my rabbit. Rabbit is in the sun.

The Fishs in the pond. I like to look at the Fish in the pond.
Do you?

My butterfly likes the sun and hills.

My horses is jump over the fence.

Many thanks to Joy Vander Hill
