

what do you BELIEVE in?

I believe in making life like your favorite tv show or movie. Make moments in life worth ~~it~~ something. laugh at yourself. I believe in friendship with a group of people who have nothing in common except the love they had for each other. I believe in those wonderful disney moments that are just perfect in your mind. I believe that every tragedy has a comedic moment. I believe that when you screw up in life, you should not put yourself down. But I mostly believe in being true to your abnormal self. Don't let society ~~say~~ ^{define} you. Love yourself. love each other. love the weirdos.
